Mr. Evers and Ms. Anthony,

I understand you never received the calendar for Israel Hernandez. I apologize for any error on our part. So, in partial response to FOIA request DOC-IOS-2018-000206, in litigation as American Oversight v. DOC et al., No. 18-cv-534 (D.D.C.), please find enclosed the calendar for Israel Hernandez. Two calendars are still in the clearance process, but I do expect they will be cleared by next week. My apologies for the delay - the shutdown unfortunately has had significant impacts on the clearance workload and prioritizations, including Congressional requests.

sincerely,
Michael Bogomolny
Chief Counsel, Information Law Division
Office of the General Counsel, Department of Commerce

Hunter will arrange your arrival.

30 minute meeting – Earl Comstock, Director of Policy, and Eric Branstad, WH Sr Policy Advisor, will most likely be in the meeting.

Couple of additional questions:

Do you know what staff will accompany the Secretary in this meeting?

What arrival/entrance procedures do they need to know about?

Do you anticipate a 30-minute meeting, or longer?

Thank you!

Subject: Timely: Request Meeting, June 1st, with Swiss Minister Ammann, per Ambassador Faith Whittlesey

Dear Secretary Ross:

Greetings!

I understand you saw my good friends Kimberly Reed and Chris Ruddy

at your party Monday. Kimberly kindly passed along to you my request for a meeting in your offices with your counterpart in trade in Switzerland, Federal Councilor Johann Schneider-Ammann, when he is very briefly in Washington and available Thursday, June 1st, sometime between 3:30 and 6 pm (whatever time would be best for you).

I am attaching Minister Ammann's short bio and other information that might be helpful and trust, if you might have a few minutes in your no doubt busy schedule the afternoon of June 1st, the meeting can take place. I will be happy to help facilitate it any way I can.

(Contact: (b)(6)
(b)(6).)

For your information, Mr. Ammann, who served in the Federal Council as President last December 21st, called then-President-elect Trump and spoke for 10 minutes to congratulate him on his electoral victory. (I was honored to help organize the call.) Mr. Ammann is currently the Swiss Minister for Economic Affairs, Trade, Education and Research. Personal for your information: As you may know, following my service as two-time U.S. Ambassador to Switzerland in President Reagan's Administration, I served for almost 20 years as Chairman and President of the American Swiss Foundation in New York (1989-2008). I am currently Chairman Emeritus. I am happy to say I was also an early active supporter of President Trump (see my op-eds files attached) and consider it one of the great privileges of my life to being able to assist him as best I could. I served as Co-chairman of Reaganites for Trump-Pence with Ed Meese and Frank Keating during the campaign

Please advise regarding your wishes and availability for a meeting with Minister Ammann on June 1st. Such meeting would go far toward creating goodwill for the U.S. and the Administration in Switzerland and, indeed, central Europe, I firmly believe.

Wishing you every success in your good endeavors,

Faith Whittlesey

Location Swedish Ambassador's Residence, 3900 Nebraska Avenue NW
Show Time As Busy

Hi Cameron,
I'll have the Social Secretary, Pernilla, add him to the guest list just in case (and downplay expectations—no need to raise hopes).
6:30-8:30pm
THE SWEDISH AMBASSADOR'S RESIDENCE
3900 NEBRASKA AVENUE, N.W.
WASHINGTON, DC 20016
My contact information and mobile are below in my signature. I'll be at House of Sweden 3:30-5:30pm, and at the reception. I'll be checking email and text messages through this time.
SEQUENCE OF EVENTS:
- 6:30pm start
o 80% of attendees will arrive together on time via charter bus directly from the event
- ~6:50pm – 7:15pm Welcoming Remarks
o The Ambassador will usually gather everyone's attention about 20-45 minutes in. He does a few remarks, introduces dignitaries and noted guests, and then finally the chef to open the buffet. Usually up to 10 minutes total.
o Currently, Dale Tasharski, DAS for Europe, is scheduled to do ~2 minutes of remarks during that time. If U/S Hernandez attends, please let us know if he would be willing to do a few remarks—I am confident they'll inquire once they find out.
- 8:30pm close (very punctual)
Directions to the Swedish Ambassador's Residence
Between Massachusetts Avenue, N.W., and Van Ness Street, N.W. across from NBC Studios and the U.S. Department of Homeland Security.

There are very few parking spaces available inside the gates in the circular driveway.
Free street parking is available on Nebraska Avenue after 6:30 pm.
Taxi to and from the Swedish Ambassador's Residence
To find taxi service from 3900 Nebraska Avenue can be unreliable, so we recommend guests who arrive by taxi to pre-order a return trip with the driver, or to use Uber/Lyft.

Hi Lesley,

Thanks for the heads up.

Fred Volcansek is doing remarks during the Capturing Opportunities
session 4:15pm – 5:00pm. That spot is no longer vacant (as of last
Thursday).

If U/S Hernandez did a surprise showing at the 9am session, and/or he
comes this afternoon for the final session or the reception afterward
at the Ambassador's residence, the notice is *greatly* appreciated.

Thanks!

We had a last minute meeting with POTUS scheduled at the White House today at 4:30pm, do you think my boss could give the Secretary a call at 4pm? Or is that too early? I'd prefer not to put it on the other end of this WH meeting because its hard to know how long it'll last. Any chance we can swing that?

So sorry to change things at the last minute!

	Show Time As	Busy Dear AUS Hernandez and DUS Hyatt, Thank you for your time today. As promised, attached is the briefing

package for tomorrow's meeting with NAM. I added an eighth attachment that has a brief summary of the TBT systemic issues with the EU.

Copied below is the broad TBT/Regulatory Coherence language TANC included in the intro to the Trade Deficit Report (still a draft). Please let me know if I can provide additional information.

TBT/Regulatory Coherence Blurb for Trade Deficit Report:

Many stakeholder comments identified burdensome and costly regulatory non-tariff barriers called technical barriers to trade (TBTs) and non-transparent, unpredictable, and conflicting or overlapping rulemaking processes as a factor in the trade deficit, and as a significant impediment to increased U.S. exports. TBTs threaten billions of dollars of U.S. exports in a variety of sectors and countries, and addressing them is a high priority for these stakeholders. These barriers are often inconsistent with countries' trade agreement obligations, and many stakeholders call for the Administration to address these barriers. Stakeholders also call for the United States to promote improved regulatory coherence in export markets, including meaningful public consultation, evidence-based decision-making, and transparency.

Tuesday, June 6

Dear Dina,

Good morning – I hope you are having a great week.

Al Kelly, Chief Executive Officer of Visa, will be in Washington on Tuesday, June 6 and I wanted to see if it might be possible for him to meet with Secretary Ross, if that date might work on your end. Mr. Kelly wanted the opportunity to visit about some of Visa's issues on the international trade front and ensuring a level playing field for U.S. payments companies abroad.

Mr. Kelly's schedule is fairly flexible that day after 11am.

Thanks so much for your consideration of this request.

All the best,

Hey Ryan, Cameron, and Pam,

Further to the call that Izzy had last week with his Mexican government counterparts on the U.S.-Mexico Energy Business Council, we'd like to set up a call for him with Jeanne Phillips and Lindsey Knutson from Hunt Consolidated, which co-chairs the U.S. Section of this group. Hunt has offered 3pm ET this Wednesday, June 7.

Any chance Izzy is available?

Many thanks.

Hi Tina,

Checking in about our meeting request for the week of June 12th. Do you have an idea yet whether the Secretary will be able to meet with the Australian Trade Minister and, if so, on which day?

Apologies for pressing you, especially given the lateness of our request, but my end will need to swing into action to book travel, etc. Given the big time difference with Australia plus the fact that we are hoping for a meeting with Secretary Ross next week, we have limited time to get all the logistics in place.

Thanks,
Nell

Hi Dina

Per my voice message this morning, Australia's Minister for Trade, Tourism and Investment, the Hon Steven Ciobo, is coming to Washington next week specifically to see Secretary Ross, subject to the Secretary's availability. Minister Ciobo would like to discuss the Section 232 steel investigation and also follow up on the discussion he had with the Secretary in Tokyo in April.

Please let me know whether the Secretary would be available to meet with Minister Ciobo the week of June 12th.

(Note that the Minister's meeting request supersedes our earlier meeting request (below) for the Ambassador.)

Thanks Dina!

Hi Cameron,

At staff meeting this morning, Izzy said he wanted to sit down and go over the speech today, sometime this afternoon. Subsequently, he sent me two broad comments, which we will incorporate. If he still wants to discuss the speech, perhaps best to try to do that this afternoon, to give us time to work on any further suggestions he might have.

Let us know,

Request for Phone Call with AUS Hernandez and DUS Hyatt on Wed (5/31); 11:30am
Hi Ryan and Joe:
I hope you're doing well today. I received an email this morning from the German Economics Ministry expressing State Secretary Matthias Machnig's (who was in the Sec Ross/Minister Zypries meeting on 5/24) interest in having a brief phone call on Wednesday, 5/31, at 11:30am EST/5:30pm Berlin time with AUS Hernandez and DUS Hyatt to chat about Secretary Ross' Berlin visit on June 27th.
State Secretary Machnig is interested in discussing the following topics during the call: vocational training, digital issues (G20, cybersecurity, internet of things), the upcoming WTO Ministerial at Buenos Aires, and U.S. Section 232 investigations.
Were you aware of this call and, if so, would the AUS and DUS be available for the call at that time?

Subject: CF Industries Meeting

Hi Cameron, hope you're doing well. Upon recommendation from Ryan, I'm reaching out to ask if Acting Under Secretary Hernandez can meet with representatives from CF Industries, the United States' largest producer of fertilizer, regarding a time sensitive international trade matter.

CF Industries currently faces a prohibitive 6.5% tariff on its exports to the EU while their EU competitors do not face any duties when exporting to the US. We sought to equalize those tariffs through the TTIP negotiations, but are now looking to other mechanisms with TTIP negotiations on hold for the near future. One such mechanism for equalization is the retaliation list that is now being developed as a result of the WTO case that the US won over the EU on beef hormones.

CF Industries would like to meet with the Under Secretary to discuss how the retaliation list can be used to ensure a level playing field for this US company and exporter.

Please let me know if Under Secretary Hernandez has any availability in the coming days or next week.

All the best, Josh Teitelbaum

Subject: Legislative Referral Memoranda
Israel –

It was nice to meet you in person this afternoon. As I mentioned after

the meeting, my office handles what are fondly known as “LRMs” (Legislative Referral Memoranda) – legislative materials (testimony, Congressional reports, questions for the record, etc.), either generated by us or other Departments, that are circulated by us (internally) and OMB (interagency) as a means of ensuring that these materials accurately reflect the position of the Department and the Administration. As you may come to see, our office sends around a lot of LRM emails in order to carry out this function.

If you have 15 minutes or so free in your schedule at some point, I would welcome the opportunity for Beth Van Hanwyk, our Chief Counsel for Legislation, and I to meet with you and explain a bit more about this process – and give you an opportunity to tell us what LRMs you’d like to see. Please let me know if there is someone I should contact to get on your schedule.

Thanks, and hope you have a nice weekend.

How goes it at the DOC?? You've got a great crew and the Secretary is the man! I was hoping to get a meeting on his calendar either Monday afternoon, June 12 or anytime on Tuesday, June 13 with the Board Chairman and the CEO of the Texas Association of Business to discuss the NAFTA renegotiation. The Association represents hundreds of small, medium and large businesses in Texas and wants to serve as a resource to the Secretary and the Department during the renegotiation period. Their interests align very closely with the administration and they are focused on expanding NAFTA coverage to the digital and service economies, while protecting existing provisions that allow Texas businesses to be net exporters. They too want to reduce the trade deficit and have great relationships with Mexican business leaders that can certainly help DOC.

Jeff Moseley is the new CEO of TX Biz<<http://www.txbiz.org/>> and the current Chair is Gary Gibson. I will send over a full briefing paper if we're able to lock down 45-60 minutes for a detailed discussion. They have set up a coalition that we want to use as a mouth piece for both administration and Texas priorities in the state with regards to NAFTA

and know they can be a great partner.

Please let me know if we can make something work.

Thanks!

Dear Pamela,

I just got the confirmation from Strasbourg that it is difficult to judge
now at what time the meeting will end so therefore the two slots we
looked at for tomorrow Wednesday 14th June would be safer:

* 08:30 am DC/2:30 pm Brussels

* 09:00 am DC/3:00 pm Brussels

Looking forward to hearing from you again,

Helen

Hi Pamela,

Thanks for the quick turn-around. 1:15 pm DC/7:15 pm Brussels works
fine for the Commissioner who is actually in Strasbourg today (same
time difference though). My colleague Nele Eichhorn (in copy) travels
with her and will be in touch with you to set up the phone call.

Hi Christian,

The Secretary is available to speak with Commissioner Malmström
today, but it would be quite late European time. His office suggested
1:15 pm DC/7:15 pm Brussels or 4:14 pm DC/10:15 pm Brussels.
Please advise if either of these times would be acceptable. Please
respond all on your reply.

Dear Dina,

I hope you are well. Csr Malmström would like to have a short 15-20
minute phone call with Secretary Ross on your 232 steel report to
follow up on a phone call the Secretary had with our Ambassador
David O'Sullivan last week.

232 would be the only agenda item from our side.

Given the urgency of the matter would it be possible for you to
propose 2 or 3 time slots to us for tomorrow?

Thx so much in advance.

Hey Ryan,

Spoke to the Mexicans and we're on for a bilat with Under Secretary Baker for June 14.

We have a break from 11:25am-12:25pm, during which time Izzy and the government representatives will step out of the Council meeting to let the private sector have their own internal working session. Should it work for Izzy's schedule, I think it makes the most sense for the bilat to take place then. They can just come upstairs to the 3rd floor offices and meet, then move back down to resume the Council meeting at 12:30.

+ Cameron and Pam to help with scheduling.

Best,
Patrick

Despite the deceleration in Africa's growth, it remains a viable and growing market. In recent years, a combination of factors including fluctuating commodity prices, government policies, and unprecedented political events have presented businesses and

investors in Africa with significant new challenges as well as new opportunities. Simultaneously, U.S. policy towards the continent may shift under a new administration.

For more than 20 years, both Democratic and Republican Administrations and the U.S. Congress have launched major policies and programs that have enhanced the U.S.-Africa economic relationship. In recent years, U.S.-Africa two-way trade has accounted for more than \$ 30 billion dollars. U.S. Administration and Congressional efforts include the creation of the Millennium Challenge Corporation, the passing and renewal of the African Growth and Opportunity Act (AGOA), the Trade Africa and Power Africa Initiatives and many others. Given past U.S. Government support for U.S.-Africa engagement as well as the significant market opportunities on the continent, there is a business imperative for continued U.S.-Africa economic collaboration.

This opening plenary will provide Heads of State with a platform to engage with top officials from President Trump's Administration and discuss the future U.S.-Africa economic relationship.

Subject: Ferroviaal Chairman/CEO meeting request with US Commerce Secretary Wilbur Ross
Importance: High

Hey Tina! Sorry I have not called you yet.....Was hoping to call you this afternoon if you are around?....In the mean time, here is the CEO mtg request that is referenced in our email connections with EB earlier this week. I just wanted to triple confirm that the details actually made it thru to you! Please let me know if/when you receive below and if there might be a good time to connect after 2pm today? Thanks, again! Doug....Here is original request:

I'm being asked to set a courtesy visit of the Ferrovial Chairman, Rafael Del Pino, and Ferrovial CEO Inigo Meiras, with US Commerce Secretary Wilbur Ross on Friday June 16th. Is there any way to see if that is even possible, logistically and taking Mr. Ross travel schedule into account?

Our Chairman and CEO will be on the east coast and were hopeful for a courtesy visit as they have high respect for Commerce Secretary Ross very much. Detailed bios on our CEO/Chairman are at the bottom of this email, but here is top line background on Company and Leadership:

- Based in Madrid, Ferrovial is the largest infrastructure firm in the world by invested capital.
- More than 21 billion in managed assets in North America alone.
- US Assets include the largest public- private- partnership projects in operation.
- Chairman sits on the board of MIT, and is recognized for his work in infrastructure finance and social responsibility globally.

Thanks so much for anything that you can do.

Sincerely,

Patrick

Dear Bunmi,
We apologize for the delayed response. Regrettably, Secretary Ross's schedule did not allow for his availability during this timeframe. However, Under Secretary Israel Hernandez will be very pleased to receive Minister Enelamah on June 15th at 3:00pm. Please confirm that this day and time will work for the Minister.

I have copied Cameron Dorsey, who can assist with any need to adjust this timeframe and to provide particular instructions to facilitate the easiest entry into the building.

- Discuss on how to better engage and work with US institutions and companies
- Provide update on the progress with the Enabling Environment Initiative (Ease of Doing Business) in Nigeria

Joe –

Attached is an invitation for Acting U/S Israel Hernandez to speak at the Global Entrepreneurship Export Exchange (E3) at the Ronald Reagan International Trade Center on June 16, 2016 at 9AM. Attendance should be around 150, we have 4 VA/DC DEC members on multiple panels, the event is sponsored by the VA/DC DEC and is being promoted by CS Virginia. <https://e3conferences.com>
<<https://e3conferences.com>>

It should be noted that Former Deputy Secretary Bruce Andrews will also be speaking on “The view from the top, and the changing landscape of global trade”. The organizers, Global Situation Room, Inc (www.globalsitroom.com <<http://www.globalsitroom.com/>>), would like someone from the present administration (Acting U/S Hernandez) to speak on trade policies to promote small business in global trade.

Attached also is the 30-60-90 Day Events Request Spreadsheet.

It's not a very fancy run of show!
We are meeting in Chesapeake 7, 8, 9 at 10:30.
I'll open up briefly, and then turn to Fred for a few words (since he has the busiest schedule of us all; we'll have to see if he has time to take questions); Izzy and Ken can go next (and ideally take questions). I'll have a few more minutes and then offer each officer a chance to talk. I plan to make myself available to the officers until I have to leave for the lunch where I am speaking.
Let me know if you need something more formal.

As research-intensive industries face growing pressure to increase efficiency and reduce time-to-market, companies both big and small are turning to innovation centers throughout the United States to help commercialize new technology more quickly. These innovation

centers bring together today's R&D leaders and top U.S. research institutions in collaborative efforts not only to develop new products, but also to share cutting-edge techniques, knowledge and approaches to commercialization.

This panel will feature a deep dive into the U.S. innovation ecosystem, laying out new ways that companies are forming R&D partnerships – with universities, federal and state government entities, and even industry competitors – and examining how the United States offers opportunities for companies to embolden their approach to R&D.

Industry Clusters and Networks: How the Collaboration Model is Changing Business

The United States maintains a well-developed system of knowledge networks for companies conducting business here and across the globe. These networks in turn have evolved into distinct clusters –

concentrated groups of companies and institutions within a geographic region that support a specific

industry or field. From suppliers, manufacturers, distributors and customers to governmental agencies,

think tanks, universities, trade associations, et al., these

interconnected organizations at both state and

regional levels combine business ingenuity with local competitive strengths to foster highly efficient

ways of transacting business.

This panel will discuss how, particularly for new entrants to the U.S.

market, understanding clusters and

innovation hubs and leveraging their experience can be a natural first step in deciding where to locate

operations.

Money Makes the World Go 'Round: Tapping into Venture Capital and Private Equity

The United States is home to the most developed, liquid, flexible and efficient financial markets in the

world with a capital pool of unequalled depth. Business investors continue to benefit from traditional and new financial instruments and methods for sharing and mitigating risk. Whether they are individual entrepreneurs, startups or established companies, investors can participate in a variety of public-private financing efforts, making understanding the different types of deal structures and choosing the right partner essential for any business. This panel will provide an overview of the U.S. VC/PE landscape and examine the nuts and bolts of venture capital financing and the funding mechanisms available to companies at all stages of maturity – from early-stage angel and venture capital to later-stage equity and debt instruments – exploring proven, practical strategies for gaining access to capital to successfully expand U.S. business operations.

The U.S. IPR system offers comprehensive legal protections that are applied equally to all – regardless of a protection holder’s citizenship or geographic location. These protections play a vital role in encouraging experimentation, calculated risk-taking and continuous evolution of the product and process life cycle that underpin the innovative spirit of the U.S. market. This panel will explore how entrepreneurs and global businesses have

United States, seeing the benefits of proximity to customer-bases, stronger and better managed quality

Choosing the right location is a vital first

step in any investment decision – and the close correlation between competitiveness and location-linked

costs and benefits is making smart supply chain management more important than ever.

This panel will explore how international firms can leverage existing markets and infrastructure to

		Building Creative Business Cultures for Innovation By encouraging resilience through risk-taking and—at times—even embracing failure, U.S. business culture empowers today’s creative thinkers and dreamers to build tomorrow’s innovative, smart companies. The United States offers the ideal environment for ideas to flourish into profitable businesses. At the organizational level, cultures of creativity have been directly linked to increased productivity, workforce retention, resilience and success. And while there are many avenues to developing a culture of innovation, certain key principles can help create and sustain an innovative business in an increasingly competitive world. This panel will explore how the United States nurtures the many facets of creativity – especially for traditionally “non-creative” industries – while also examining how physical environments, business processes, and corporate cultures can either help or hinder the type of innovation that is critical to the success of a company. Moderator: Ayman El Tarabishy, Executive Director of International Council of Small Business and Associate Teaching Professor of Management, George Washington University Panelists: Jeffrey Chen, Deputy Chief Data Officer, Commerce Data Service, U.S. Department of Commerce Kevin Donovan, Senior Vice President, Communications and Business Services, Otsuka Sachiko Kuno, Co-Founder, President and Chief Executive Officer, S&R Foundation Demand for Skills: Perspectives on Apprenticeships, Demand-driven Training, and Why Workforce Development is More Critical than Ever The U.S. workforce is diverse, skilled, innovative and mobile. The United States is also home to one of the world’s most advanced and esteemed systems of higher education, enhancing nationwide innovation

and productivity. At the same time, gaps between traditional academic training and workforce needs are widening. Recognizing this disconnect, public and private organizations in the U.S., including foreign companies, are redefining how businesses, educators and policymakers are training the next generation of workers to maintain a competitive advantage. This panel will introduce successful, innovative approaches to workforce development and analyze how today's workforce is educated and trained (and retrained) to meet the needs of today's and tomorrow's industries.

Entering the U.S. Market: Best Practices and Strategies
Establishing operations in the United States not only creates domestic opportunities in the world's

largest consumer market, but also opens doors abroad; more than a quarter of U.S. goods exports in 2015 were produced by majority foreign-owned firms. While there are many steps in the market-entry process, and no single path to success – establishing clear criteria and identifying the right partner(s)

early on can make the investment process significantly easier.

This panel will share a wide variety of experiences as well as best practices for entering the U.S market, including a frank panel discussion on how investors overcame initial challenges – from cultural difference to potential regulatory hurdles, and helpful dos and don'ts from market entry experts.

We'd like to do this as soon as possible with the understanding that the policy determinations are being made right now on Cuba.

 API welcomes House support of North American energy markets

Brooke Sammon | (b)(6)

WASHINGTON, May 30, 2017 – API President and CEO Jack Gerard welcomed a letter sent today signed by over 50 members of the U.S. House of Representatives to U.S. Trade Representative Lighthizer recognizing the benefits of North American energy markets to

American consumers and businesses in response to the administration's plan to renegotiate the North American Free Trade Agreement (NAFTA).

"North American energy markets are highly integrated and interdependent, and we are pleased that members of both parties in the House recognize the many benefits these energy markets provide for the U.S. economy and consumers," said Gerard. "Energy market integration also enhances U.S. energy security by enabling North American energy self-sufficiency and supports markets for the hundreds of billions invested every year in the production and transport of U.S. oil, natural gas and petroleum products.

"NAFTA has played a critical role facilitating North American energy self-sufficiency by facilitating cross-border trade and investment in energy, supporting millions of U.S. jobs in the oil and natural gas industry. We look forward to continuing our work with the administration and Congress on forward-looking energy policies that protect American energy consumers."

The letter was led by U.S. Representatives Tom Reed (R-NY) and Terri Sewell (D-AL) and can be viewed [here](http://www.api.org/%7E/media/Files/News/Letter-Comments/2017/Trade-NAFTA-Letter-to-USTR-05-30-2017.pdf)<<http://www.api.org/%7E/media/Files/News/Letter-Comments/2017/Trade-NAFTA-Letter-to-USTR-05-30-2017.pdf>>.

API is the only national trade association representing all facets of the oil and natural gas industry, which supports 9.8 million U.S. jobs and 8 percent of the U.S. economy. API's more than 625 members include large integrated companies, as well as exploration and production, refining, marketing, pipeline, and marine businesses, and service and supply firms. They provide most of the nation's energy and are backed by a growing grassroots movement of more than 40 million Americans.

Dear Israel.

Welcome back to Commerce! I know that you are inundated with activities regarding both positions you currently are encumbering, I wanted to re-introduce myself and catch you up with AC happenings. I'll be as brief as possible.

* Thank you for signing the advocacy letter to the Democratic Republic of Congo . . . your first of many AC touches!

* I would like to get on your schedule to brief you on the AC and the MDBs. This is not the same unit as when you last served as DG. In the last five years since I've been the Dep. Director, we have grown from 350 active cases to averaging around 1,200!

* View the 1 page attachments outlining who we are today and how best we execute trade advocacy across the USG.

I look forward to seeing you again soon. Let me know with whom on your staff I should schedule an appointment.

Dear Eric: We have had the pleasure of meeting your parents over the past couple of days. KT McFarland has been kind to pass us your contact information in the hopes of having Secretary Ross come to speak to our ambassadorial candidates.

Suggested Date/Time:

Tuesday, June 20, 2017: 11:45a – 12:45pm or another date/time convenient to the Secretary's schedule during the weeks of June 19 – 29.

Purpose

This three-week seminar is comprised of both non-career and career ambassadors. We are asking that Secretary Ross speak on Commerce Policy Priorities. The objective of this session is to outline the Secretary's foreign policy goals and priorities relating to American business and commercial affairs. The group will discuss the Secretary's expectations for ambassadors in the field.

Other Appointments Sought: The participants will be returning from a week off-site to attend a week of briefings at the Foreign Service Institute (FSI) to include possible briefings by Deputy Secretary Sullivan, Under Secretary for Political Affairs Tom Shannon, Acting Under Secretary for Public Diplomacy & Public Affairs Bruce Wharton and a photo op with the Secretary.

We have 17 candidates for this June session of the Ambassadorial Seminar with a mix of career Foreign Service officer candidates (6) and the remainder political appointees.

Would you mind checking Secretary Ross' schedule for Tuesday, June 20 from 11:45a – 12:45p? The venue is the Department of State's Foreign Service Institute at 4000 Arlington Blvd, Arlington, VA 22003. If this date and time is not convenient, I am happy to work with you on an alternate date and time during the week of June 19 – 23.

Look forward to hearing from you. Once confirmed, I will send you some additional information including a list of the candidates and their bios and the course schedule.

With warm regards, Tricia

Hello Keith,

My Headquarter requested me to arrange meeting with DOC before summit visit next week.

My ambassador would be available for meeting with Sec. Ross at the earliest convenience.

Please let me share the urgency in this meeting before the summit including the recent DOC reporting.

Many thanks and best regards,

Chang

Minister Kim: I understand that when you spoke with Diane today you expressed interest in a meeting between Ambassador Ahn and Acting Under Secretary Hernandez. We will forward that request soon but in the meantime, we had a previous request for the Ambassador to meet with the Secretary. Given the upcoming visit by your President it may be a fortuitous for the Ambassador to meet with the Secretary and the Acting Under Secretary at the same time.

Could you possibly send us dates and times that would work for the Ambassador so we can see what can be arranged? Multiple options would be ideal.

Thanks and regards,
Keith

Good morning Wendy,

I spoke with Bob yesterday regarding the EVP and COO position at ExIm.

I spoke to him regarding support for the bank activities in the administration, governance at the bank and guidance to the bank from key people such as Bob and Secretary Ross.

I have been offered the position noted above and am trying to validate that ExIm will play a strategic and tactical role in the creation of US jobs and I can support and execute on the vision of the administration.

I am headed to CO on a two day business trip currently.

I am back on Wednesday for a meeting and can arrange time for a call in the interim as appropriate.

I look forward to making your acquaintance.

Subject: Reception Info

Israel and Cameron,

Thank you! Cameron, after we got off the phone, I remembered that
Israel and I had texted about tomorrow's reception a few weeks ago,
long before I knew you were like the power behind the throne and
should always loop you in. Won't happen again!

We're at 1717 Pennsylvania Avenue, N.W. – on the other side of the
White House, a little up from the corner of 17th and Penn. Main
entrance is on the 5th floor, but the reception is on the 4th floor.
Guest list is below, and I've attached a Word document with the
photos of many of the attendees. Not a huge guest list, but it is a
good, diverse group. The reporter, Brian Bradley, is a friend of mine –
and I'm happy to tell him any remarks are off the record.

Cameron,
I'm writing to see if Israel would have time for a brief meeting the
afternoon of Thursday, June 22nd? I will be in Washington and would
like to brief him on our work with the NAFA renegotiation.
FYI, I have not seen Israel in many years but worked with and around
him during the Governor Bush years in Texas.
Please let me know if you have any questions.

Thanks,

Hi Grant,
I am hoping you can assist with this matter. We have attempted to continue our discussion regarding NAFTA related issues, including a joint position with the UAW in Auto/Parts. This included myself and some of our senior researchers flying to Washington this week to meet with Mr. Comstock, and a conference call with him as well this week which were both canceled. We are extremely close to having a joint statement and position regarding Auto with the UAW and would like to discuss the details of that statement with someone from the Secretary's office as soon as possible. My understanding was that the Secretary was very interested in trying to ensure if we had a joint statement that he was aware of our position prior to us announcing it and perhaps even signing onto the statement or at the very least providing us feedback on concerns with our statement prior to releasing it. I look forward to hearing back from you regarding this issue as soon as possible. Thanks

Dear Lesley and Valerie,

Please see the attached invitation to Secretary Ross to give a keynote address at the U.S.-India Business Council's (USIBC) 42nd Anniversary Leadership Summit on June 26 (CAMERON – this would now be a 6/27 morning session). (b)(5) DPP

USIBC is the main business advocacy organization representing the major U.S. companies (as well as global Indian companies) advancing U.S.-India commercial ties. USIBC also is a valuable partner in promoting the Department's India-related programs and initiatives.

The summit has been tentatively scheduled to coincide with Prime Minister Modi's expected visit to Washington, D.C. on June 26. Top leaders of the largest U.S. companies exporting to India, Indian global companies, leaders from the Indian-American community, Indian

government officials, think tank representatives, academia, and members of the international media likely will attend the summit.

Would you please forward the invitation to Exec Sec?

Thank you.

Regards,

Valerie

Subject: RE: SV: Message from the Ambassador of Sweden: Request
for meeting with Secretary Ross for Nordic-Baltic Speakers June 27

Dear Lesley/Valerie,

We have confirmed 2:15-3:00pm on Tuesday, June 27, 2017 here at
Commerce, room TBD (factoring in an extra 15 in case it goes late,
internally), and with a 1:55pm - 2:00pm arrival for security.

Re: room

- If OUS could get 3407 or the 5th floor conference room, that would
be great for aesthetics (The library is fully booked that time, sadly).
- In case 3407 or the 5th floor are unavailable, I can reserve a 21st
Century large room, set up board room style, as a back-up.

I'll have the list of delegates within 24 hours. Total group will be 15
(each Nordic-Baltic 8 has 2 except for Denmark). Ana has confirmed
we are to coordinate with Ana Blixt and Christina Hoffman as Swedish
Embassy POCs on names, etc. Jen and I will get the security
information and logistics going with them per usual.

Thanks,
Suzanne

Ämne: Request for meeting with Secretary Ross for Nordic-Baltic
Speakers June 27

Dear Kelly,

The Speakers from the eight Nordic-Baltic countries are visiting
Washington DC on June 27th – 28th, 2017.
The Nordic-Baltic region has long enjoyed a broad and deep
relationship with the US, highlighted by the US unwavering support

for Baltic independence, as well as support for democracy and freedom shared by the US and Nordic-Baltic nations.

During the visit here the delegation will, i.a., meet with Speaker Paul Ryan and members of Congress.

The Speakers would like to request a meeting with Secretary Wilbur Ross to discuss cooperation between the Nordic-Baltic countries and the US.

Is the Secretary available to meet with the Speakers on Tuesday, June 27th?

Looking forward to hearing from you.

With kind regards,
Christina

This VIP dinner is hosted by Boeing and includes dignitaries from Trans-Caspian Forum host countries, as well as U.S. Government and business. The purpose of the dinner is to promote the East West Trade & Transit Corridor as a viable option for East-West trade. At the Forum, regional governments will introduce infrastructure, business, investment, trade and transit opportunities to business leaders, policy-makers, and experts across a variety of industries. This event is an opportunity for the Department to cultivate G-2-G relationships that can be leveraged to support advocacy and address market access barriers on behalf of American business, as these are countries where significant government roles in procurement decisions mean that U.S. Government advocacy or other intervention will be important to future U.S. company success.

Subject: National Association of Foreign-Trade Zones

Dear Macie,

We represent the National Association of Foreign-Trade Zones.

Dina Beaumont suggested I contact you to arrange a meeting for Mr. Comstock with NAFTAZ's Chairman and President.

Trey Boring of IMS Worldwide in Dallas is the current Chairman of NAFTAZ.

Erik Autor is President and his office is located here in Washington.

We initially submitted a request to meet with Secretary Ross following his confirmation. Dina subsequently suggested that we meet with Mr. Comstock. Unfortunately, her May 5 email was somehow caught in our spam filter and I did not see it or her follow-up note until today.

Please advise when we might be able to meet with Mr. Comstock.

For your information, Mr. Autor recently submitted the attached comments to USTR concerning renegotiation of NAFTA. Mr. Autor has also requested the opportunity to testify at the upcoming hearing on June 27.

Thank you for your consideration.

Warm regards,

Brian

Subject: Assessment Process

Izzy,

When we met last week you had inquired about the assessment level surrounding security posture. I would like to set a meeting with you and security to discuss the process and how we work with Ollice. I believe this will be beneficial and provide insight that may alleviate any concerns. We will also have Ollice in the meeting.

Please let me know if you concur and we can work with Cameron to schedule.

Hey Cameron,

The CIA will be coming in and providing a briefing to our office on Chinese Investment in Latin America. This is a topic that Israel said he was interested in learning more about. Would he be free to join us at the briefing? It is scheduled for 1:30-2:30 on July 6, location is TBD but will probably be in a room on the 6th floor. It will be at the Unclassified/Secret level. If not, completely understand and we can provide a copy of any handouts they provide us after the fact.

Best,

John,

You are listed as having cleared the attached package of FY18 ITA Strategic Planning MOA template and associated memos. In reviewing this, Israel asked to meet or speak with you first. Kindly contact him to arrange. He didn't take with him the attached package but kindly have it when you discuss this with him.

Ken also thought the attached Strategic Partnership vision memo that was sent to him/Ken in April would be helpful for Israel as background. Please let us know once you discuss the package and if you/he determine edits are needed. We will then arrange to send to Execsec. Thank you.

Here are lists w/ prospective attendees (members of the coalition). It depends on the date how many people would come, also the venue. We could limit the group size if needed depending on the room availability at DOC, or we can get a host close by to your office if it is easier than bringing a group inside the building.

Originally, we had proposed these dates but now June is a little better to give the group enough notice.

May 8-12

June 5-9

If those dates don't work, I can check for more options.

Thanks and I look forward to hearing from you.

Subject: Appointment Request for Secretary Ross

Dear Wendy,

I am looking forward to our meeting next week. In the meantime, I just learned that, Joe Hinrichs, Ford's Executive Vice President and President of Global Operations (bio below) will be in Washington, D.C. on Tuesday, July 11. We would like to request a meeting for Joe with Secretary Ross if his schedule permits. As you know, Ford is the number one manufacturer and exporter of automobiles in the United States. Joe would be very interested in discussing with the Secretary ideas that could drive further manufacturing growth here at home. Joe is one of the Company's most seasoned executives has held a variety of leadership positions around the world within Ford. He has a deep understanding of the importance of trade and tax policies on American competitiveness.

We appreciate the Secretary's focus and insights in coordinating policies that promote U.S. manufacturing at this critical time and hope that our discussions will provide some examples and opportunities that will reinforce his efforts.

Please let me know if the July 11th date works – we are flexible on timing as Joe will arrive early in the morning and leave late in the afternoon.

Thanks,

Steve Biegun

Talking points from Brian Lenihan:

- Congratulate swift ascension to the chairmanship of the House Oversight and Government Reform Committee. Colleagues respect your steady hand and experience as evidenced by the conference vote, as well as your past service with the gavel. I look forward to working with you and your staff in your new oversight role in Congress. SLWR sent a congratulatory note in mid-June.

- Seek postponement of the July 13 hearing to September, until completion of internal review of the Census numbers.

- Again, we would be happy to offer up the acting leadership, but feel that both sides would benefit from firm numbers and an informed government witness in the early-September timeframe. Before that meeting, we would be more than open to sharing the numbers that should be available in approx. August.

- Brian Lenihan spoke with Chairman Gowdy's staff director Sheria Clarke regarding the committee's request for documents by July 10th and the subsequent request for the acting director to testify on July 13th regarding cost estimates for the 2020 Census. The rationale resonated for why it would be better to conduct a hearing following the affirmation of cost estimates that would be the response to the questions posed in the June 29th letter – and having an informed witness. Ms. Clarke noted that she would double check with the minority, as well as staffers organizing the hearing, that a postponement would produce a better hearing. I additionally mentioned that we would certainly provide our internal numbers to

the committee leadership as soon as the data is ready for consumption (in a briefing setting if need be). I will get back to you on whether the Committee is agreeable to a date certain after providing what the letter seeks.

Sheria –

I just left you a vm, I wanted to follow-up before the weekend on the potential for a postponement of the July 13 hearing, until we have completed our internal review of the Census numbers. I believe Patrick sent a text message to a member of the Census staff this morning with a date for later this month. Again, we would be happy to offer up the acting leadership, but feel that both sides would benefit from firm numbers and an informed government witness in the early-September timeframe. Ms. Henry:

I am writing again, with more advance notice, about the meeting request from Baxter's CEO. You mentioned that the Secretary may have some time the week of July 11. Would there be an opening on July 13 or 14? Thank you in advance for your consideration of this request.

I wanted to follow up on this scheduling request from last week. Is there any chance that Secretary Ross would be available to meet with the CEO of Baxter International tomorrow?

Subject: Baxter Meeting Request with Secretary Ross

Earl (and Macie):

We are looking forward to the meeting on Friday regarding steel line pipe. Thanks for your time – I know you are very busy.

I have been asked to pass on one other request to Secretary Ross's scheduler. The CEO of Baxter International, Joe Almeida, will be in Washington DC next Wednesday, June 21, and would be extremely honored for the opportunity to meet, even briefly, with Secretary Ross. See attached letter.

Baxter, with nearly 50,000 employees and over \$10 billion of revenue, is a major producer of cutting edge medical products and provider of services, and would appreciate the ability to discuss matters related to international trade (especially unfair competition from Japan), tax reform, and American innovation and competitiveness.

Unfortunately, the window for a meeting is tight, either between 9:15 - 10:00 am or 12:15 - 1:00 pm, but any time the Secretary has would be greatly appreciated. Can you pass this on to his scheduler?

Thank you very much,

Tim Brightbill

Subject Meeting with Navdeep Bains, Canadian Minister of Innovation, Science and Economic Development
Location Secretary's Conference Room
Show Time As Busy
Participants:
Government of Canada

- Navdeep Bains, Minister of Innovation, Science and Economic Development
- John Knubley, Deputy Minister, Ministry of Innovation, Science and Economic Development
- Paul Halucha, Assistant Deputy Minister, Ministry of Innovation, Science and Economic Development

- Elder Carvalho Marques, Chief of Staff, Office of the Minister
- Javid Dharas, Policy Advisor, Office of the Minister
- Brad Wood, First Secretary (Commercial), Embassy of Canada
- Denis Stevens, Deputy Head of Mission, Embassy of Canada

Topics:

The Minister would like to discuss the importance of the integrated North American manufacturing sector, and specifically the topics that follow.

1. Cyber Security

- As part of our Innovation and Skills Plan, we are looking at how to make Canada can play a key role among trusted allies in cyber innovation, building on our unique strengths such as a thriving financial sector in close proximity to our primary innovation ecosystem.
- We can discuss how to better align our cyber innovation strategies, so that innovative Canadian firms, based in a Five Eyes country, can add value to US cyber infrastructure. We could work with them on how Canadian universities and SMEs can develop specialities in niche areas that would add value to US industry and government on the cyber front.

1. Clean Technology

- Minister Bains and Secretary Ross could discuss bilateral cooperation in this space to create more efficient and competitive cross border value chains in clean energy and advanced manufacturing technologies to the benefit of both economies, and specifically, how Canada and the U.S. can work together to increase global market share of clean technologies. There may also be an opportunity to host a joint Summit on clean technology innovation to showcase North American leadership in this space.
- On the topic of clean energy and the intersection of energy use and advanced manufacturing, we would outline steps that we are taking to strengthen our domestic clean technology innovation ecosystem, which we see as cross-cutting across the Canadian economy, including the automotive sector, and supporting the creation of North American jobs.

1. Rare Earth Materials

- Collaborate on a joint Canada-US study of North American supply chains reliance on REM sources, to map out industry dependencies and forecast future demand, especially as they relate to advanced industries (e.g. manufacturing) and technologies (e.g. digital).
- Organize a joint Canada-US working group on increasing supply and

reducing foreign dependence on foreign sources for REE, including assessing the conditions for new mines (e.g. regulatory, market) and the use of innovative new emerging clean technologies and processes (e.g. extracting REE from tailings or from electronic recycling).

Hi Jim and Daniel.
I hope you guys had a good 4th.

Thanks again for seeing us back in May, and for offering to help arrange a meeting with the Under Secretary. We are having a group of NCR's most senior executives come to Washington for policy meetings on July 19. I am wondering if it might be possible to arrange a meeting that afternoon. The group will include our Executive Vice Presidents for global sales, hardware and software, who all have responsibility for different aspects of NCR's global business operations. We've had so much interaction with members of the ITA team on issues in China, India, APEC, Brazil, I think it would be very valuable for our senior execs to have some exposure to ITA and the work that you do.

Thanks very much. Please let me know what additional info I can provide, and I'd be happy to do so.

Subject: Invitation to speak at Dow Chemical event

Israel,

As you likely know, the Secretary mentioned our Japan issue to his counterpart today. THANK YOU.

Kevin Kolevar, my boss and Dow’s VP for Gov and Public Policy, asked me to invite you to speak with the Dow Chemical global policy team on June 20th between noon – 12:45. We are having an internal global policy team summit and flying in Dow team members from around the world (around 30 of us) for a two day meeting. Everyone will be either on the government affairs side, the public affairs side or the policy side. (no press and off the record)

Would love to have you if you would like to get out of the building for a short break. Completely understand, however, if you are already occupied that day. I believe the Chinese will be town the day before.

Pls do let us know, so we can invite another USG official if you are unable (or not interested). We are meeting at 500 N Capitol NW (near Union Station).

Take care,

Colleen

MEETING WITH EU PARLIAMENT DELEGATION ON DIGITAL POLICY ISSUES

EVENT DATE & TIME: Thursday, July 20, 2017, 4:30 p.m. – 5:00 p.m.

EXTERNAL POC: Meeting request by Holger Benzing, European Parliament Liaison Office, sent to Grace Koh, Special Assistant to the President for Technology, Telecom, and Cyber-Security Policy

LOCATION: Eisenhower Executive Office Building, Room 210/212

BACKGROUND: The European Parliament’s Committee on Civil Liberties, Justice and Home Affairs (LIBE) is sending a delegation to meet with U.S. government and non-governmental stakeholders, as they do on an annual basis. The delegation requested a meeting with Grace Koh, Special Assistant to the President for Technology, Telecom, and Cyber-Security Policy to discuss the Administration’s approach on digital policies. Grace Koh sought feedback from ITA’s Office of Digital Services Industries on whether to take the meeting and accepted the recommendation to meet with the delegation as well as the recommendation that you and Shannon Coe, Team Leader for Data Flows and Privacy, join the meeting if you are available. The delegation is also meeting with other USG agencies on Privacy Shield and intelligence concerns in a joint meeting hosted by the State Department, which will include State DAS Conrad Tribble, Deputy Assistant Attorney General Bruce Schwartz, ODNI Deputy Counsel General Alex Joel, and Shannon Coe. The delegation has a particularly tight schedule and meetings on a broad range of topics and is not available for a separate meeting with Commerce.

PURPOSE OF EVENT: The EU Parliament’s LIBE Committee has been

critical of the U.S. approach to data protection and of the EU-U.S. Privacy Shield Framework. This meeting presents an opportunity to highlight the benefits of the Framework to both sides of the Atlantic as well as broader U.S. work on privacy and digital policies. While the meeting will not likely end criticism of Privacy Shield by Members of Parliament, it could help reduce it, correct misperceptions, and build support among more moderate Members.

PRINCIPAL ROLE: Participate in the White House-led meeting with a delegation of EU Parliamentarians to highlight Commerce's high-level commitment to the Privacy Shield and discuss Commerce's work on digital trade policy more broadly.

PARTICIPANTS: EU Parliament Committee on Civil Liberties, Justice and Home Affairs delegation list included as Attachment 1.

We recommend that you participate in this coordination call, if possible. A briefing memo will be provided in advance and no further pre-brief is recommended.

ALTERNATE: None.

Location Secretary's Office

Show Time As Busy
Request from ITA, approved by Izzy

Attendees:

Paul Drechsler – President, Confederation of British Industry;

Benjamin Digby – Director for International Trade, Confederation of British Industry

John Dickerman – Head of North America, Confederation of British Industry

Background from CBI:

* First, and foremost, Paul wants to establish relationships with government with the mind-set that that the UK and the U.S. are both taking the lead on the global stage to reassess the impact of trade on their economies. We know, of course, that Commerce, the Secretary and the President are all very supportive of the existing economic relationship between the U.S. and the UK, but Paul is very keen to come to Washington and deliver a strong message on how the relationship could, and should, be even stronger. As such, he'll be delivering a very strong message that our Countries, and in particular the businesses that make up the structure of our economies, have an important link that is growing all the more important.

* Second, and ancillary to the main goal above, Paul will be previewing our annual report that details the extensive investment that UK makes in the U.S. on an annual basis. We call the report Sterling Assets, and it is comprehensive in that it outlines on a state-by-state basis just how important the relationship is. We'll be releasing our ninth edition later this year, but we have all the data and Paul will be highlighting the hugely impressive numbers during his trip.

The Metals Service Center Institute represents a broader and more complete range of interests than any other association up and down the industrial metals supply chain. Their members have facilities in nearly every Congressional district and are the producers, processors, and distributors of carbon and stainless steel and aluminum for the nation's manufacturers. Their members are the manufacturing heart of this country, providing the materials and services needed to build everything from automobiles to appliances. Companies in the industrial metals supply chain are responsible for 2.5 million U.S. jobs and more than \$500 billion in annual economic activity. They pay salaries that average more than \$60,000 a year to metals industry workers and contribute more than \$64 billion to local, state, and federal coffers.

Not with me, but with Israel Hernandez, our current Acting U/S and Deputy COS to the Secretary. I was just asked to facilitate it, if possible, for one day next week @ 7:30 am. That's all I know.

Subject: Board update

Dear Board colleagues:

I'd like to provide you with some quick updates on a number of fronts:

* We are very pleased to share that today's Senate confirmation hearing for Ray Washburne to be OPIC's President & Chief Executive Officer and David Bohigian to be OPIC's Executive Vice President went very well with the participating Committee members speaking very highly of OPIC. You can watch the hearing in its entirety here <<https://www.foreign.senate.gov/hearings/nominations-071117>> .

We will continue to work diligently on moving their nominations through the Senate.

* Following the Board's approval via notational vote, yesterday Edward Burrier joined OPIC as Vice President for the Office of External Affairs. On Monday, July 24, William Doffermyre will start as Vice President and General Counsel. We are looking forward to you meeting and working with both Edward and William in the months

ahead.

* Our next Board Update Call will take place on Wednesday, July 26 at 1PM. A calendar invitation will follow and we will share an agenda as we get closer to the call. Please find the dial-in information below:

MEETING OF THE RENEWABLE ENERGY AND ENERGY EFFICIENCY
ADVISORY COMMITTEE

EVENT DATE & TIME: Thursday, July 27, 2017, 9:00 – 9:30 AM (but
there is schedule flexibility for a 30 minute window)

LOCATION: Training Room A, Ronald Reagan Building

BACKGROUND: The Renewable Energy and Energy Efficiency Advisory Committee (REEEAC) is chartered to advise the Secretary of Commerce regarding the development and administration of programs and policies to expand the export competitiveness of U.S. renewable energy and energy efficiency products and services. The REEEAC was re-chartered in June 2016 and new members appointed in September. This is the fourth meeting under this charter. The REEEAC has sent three letters to Secretary Ross that included two recommendations. The Secretary has sent one response letter. Global investment in renewable energy and energy efficiency topped \$242 billion in 2016 and the cumulative market for global trade in these technologies from 2015 to 2020 is expected to exceed \$1.5 trillion.

PURPOSE OF EVENT: Thank the REEEAC members for their service; comment on the two REEEAC recommendations received to date; provide an update on the Administration's trade agenda; and re-iterate Commerce's commitment to expand competitiveness for clean energy manufacturing and exports.

PRINCIPAL ROLE: Brief remarks, followed by informal roundtable discussion.

(b)(5) DPP

PARTICIPANTS: The REEEAC is composed of 31 senior executives from across the renewable energy and energy efficiency private sector.

AUDIENCE: The meeting will be open to the public, with potential observers from other renewable energy stakeholder groups. Members of the public are required to pre-register; typically there are less than five.

MEDIA COVERAGE: Open, although press does not usually attend. There will not be a question and answer session.

PRE-BRIEF: Yes. Include:

1. Victoria Gunderson, REEEAC Designated Federal Officer (DFO), Office of Energy and Environmental Industries
2. Adam O'Malley, Office Director, Office of Energy and Environmental Industries
3. Cora Dickson, Renewable Energy Trade Specialist, Office of Energy and Environmental Industries

Subject: Meeting with GE on July 28?

Hi Pamela,

GE's CEO for Latin America, Rafael Santana, will be in DC on July 28, and is interested in meeting with Israel. We recommend the meeting - is Israel available?

Here are some of the topics he's interested in:

"He is interested in NAFTA/Mexico, Brazil, Argentina and any region-wide issues. Maybe touch on the commercial dialogues with Brazil and Argentina, and the energy dialogue with Mexico. We are also interested in 'gas to power' in the Caribbean"

- 3) Seating – wanted to get additional color on size of room / seating given the size of our party

BRIEFING MEMORANDUM FOR ISRAEL HERNANDEZ
FROM: Michael Boyles, Office of Standards and Investment Policy,

EVENT: Meeting with the Industry Trade Advisory Committee
on Standards and Technical Trade Barriers (ITAC 16)

DATE: Tuesday, August 1, 2017 from 12:10 – 12:40 PM

LOCATION: Ronald Reagan Building, Training Room A

CONTEXT & PURPOSE

ITAC 16 is an active committee that meets at least 5-6 times a year, with additional closed conference call meetings on fast-moving issues as required. ITAC 16 provides detailed policy and technical advice on standards and technical barriers to trade (TBTs) to the Secretary of Commerce (Secretary) and the United States Trade Representative (USTR), or their designees, regarding trade agreement negotiations, the implementation of existing trade agreements, and other trade matters as directed by the Secretary and the USTR in the development of U.S. trade policy. ITAC 16 members are interested in hearing about the President's trade agenda and the Secretary's and ITA's priorities involving standards and TBT work. Acting Assistant Secretary for Industry and Analysis (I&A) Anne Driscoll addressed ITAC 16 on April 24, 2017, to brief the members on how I&A is engaging with industry to address standards-related measures and making ITA's standards work more strategic.

The Chair of ITAC 16 is Ann Weeks (UL), the primary Vice Chair is Joe Bhatia (American National Standards Institute (ANSI)), and the secondary Vice Chair is Dan Mustico (Outdoor Power Equipment Institute). ITAC 16 is one of three committees whose issues cut across the 13 sectoral ITACs. Each of the Chairs of the 13 sectoral ITACs selects one (and in exceptional instances a second) member to serve as the ITAC representative to ITAC 16 to facilitate cross-sharing and provide information on relevant issues of concern to each of the 13 sectoral ITACs.

On June 30, 2017, ITAC 16 submitted a letter of recommendations on negotiating objectives for the modernization of the North American Free Trade Agreement (NAFTA), articulating the importance of addressing technical barriers to trade and support for good regulatory practices (GRP). Many ITAC members also submitted comments in their individual capacities in response to the Federal Register notice requesting comments on the "Request for Comments on Negotiating Objectives Regarding Modernization of the [NAFTA] with Canada and Mexico."

Updates on the renegotiation of NAFTA, the status of the Transatlantic Trade and Investment Partnership (T-TIP), and Administration plans for enforcing commitments in existing trade agreements would be relevant and of particular interest to the ITAC members. This meeting also is an opportunity for you to seek input from the ITAC on trade topics that are of interest to Secretary Ross.

Summary:

- * Give brief remarks about the Administration's trade policy priorities for FY 2017.
- * Emphasize the Department's use of trade agreements compliance to remove technical barriers to trade, which are key standards-related NTBs affecting U.S. industry.
- * Invite the ITAC to detail its priorities and provide insight on standards-related measures and TBTs.

Background:

- * Standards-related measures play a critical role in shaping the flow of international trade. Burdensome, costly, and discriminatory TBTs are a top non-tariff trade barrier for U.S. industry as they threaten billions of dollars of U.S. exports.

- * A recent study by an Industry and Analysis economist found that 92% of U.S. exports are affected by standards and technical regulations.
- * In comments received for the Executive Order Trade Deficit Report, many stakeholders identified TBTs as a significant impediment to increased U.S. exports, and call for the Administration to address these barriers in current dialogues and forums with trade partners, such as in the WTO TBT Committee.
- * Working with U.S. industry, ITA is pursuing compliance cases with a number of countries whose proposed standards and technical regulations limit market access for U.S. exporters. China and the EU present the greatest number of TBT NTBs reported by U.S. industry that ITA addresses as compliance cases.
- * During the WTO TBT Committee meeting, June 12-15, ITA applied pressure to twelve countries to comply with their international obligations regarding 43 ITA TBT compliance cases. The ITAC was briefed on many of these cases during its June 6 meeting and received a copy of the annotated draft agenda for the WTO Committee meeting (Attachment 4).
- * All three units in ITA work to address standards - industry offices lead on sector and industry specific standards issues and initiatives; the Trade Agreement Negotiation and Compliance Office in E&C leads on TBT and SPS issues in the WTO and FTAs; and GM manages bilateral commercial dialogues and the network of Commercial Service staff following standards issues, including through the Standards Attachés.
- * The Office of Standards and Investment Policy (OSIP), located in I&A, is the principal ITA advisor on standards and convenes the International Standards Team, with approximately 160 members from across ITA, to create a community of knowledgeable and connected professionals across ITA to better serve clients.
- * The ITAC has noted its support for possible expansion of the Standards Attaché Program. There are currently four Standards Attachés - Mexico City; Sao Paulo, Brazil; Brussels; and Beijing - with another planned for Saudi Arabia. The private sector has recommended placing Standards Attachés in other locations such as Jakarta, Indonesia at ASEAN. OSIP is working with GM to identify best practices and ways to strategically improve the program to better serve ITA clients on standards.
- * The ITAC has also supported ITA's ongoing involvement in the Asia-Pacific Economic Cooperation (APEC) forum Sub Committee on Standards and Conformance. Current APEC standards-related activities include work on ICT e-labeling, food safety, good regulatory practice, and wine regulation.

(b)(6). Haven't heard back from Eric yet, but we would love to come in and talk NAFTA. The high level negotiating objectives look like they will mirror the TPA language which seems general and good, but some are pushing for the TPP language for the NAFTA IP chapter which, in the view of owners of IP, would not stop the bad practices in Canada and Mexico nor protect American works from theft. I believe they are shooting to have text by August 16 so anytime soon that we could visit with you guys would be great. Thanks for reaching out. See you soon!

 Taking into account the upcoming visit of Vicepresident Mike Pence to Colombia in August 13 and 14.

The Ambassador of Colombia to the United States, H.E. Camilo Reyes would like to have a courtesy follow-up phone call with Secretary Wilbur Ross, regarding the agreement Mr. Ross and Colombian Minister of Trade Maria Lacouture made last May related with U.S Rough Rice and Colombian Hass Avocado.

The commitment of the Colombian Government has been accomplished completely, U.S exporters of rough rice are able to introduce their product in all the Colombian Seaports, and APHIS has agreed with the new import requirements developed by the Colombian Sanitary Agency.

Ambassador Reyes would like to give to Secretary Ross a quick overview of our commitments, and request support for the publication of the final rule for allowing imports of Colombian Hass Avocado into the U.S very promptly.

	<p>BACKGROUND: ITA has hired 9 new Foreign Commercial Service Officers and assigned them to overseas and domestic posts. The new officers have been in Washington on a four-week training program as part of their on-boarding process. The training program culminates on August 4 with a public swearing-in ceremony, which allows the new officers to take the oath of office in front of family and friends as the official start to their careers as Foreign Service Officers. Attendees are expected to number 100+.</p>
	<p>SEQUENCE OF EVENTS:</p>
	<p>11:30 AM The Secretary of Commerce, ITA Deputy Under Secretary and Acting AS for GM start the program seated in chairs on the stage behind the podium. FSHR Acting Director opens the program and invites guests to rise for the presentation of the colors and the pledge of allegiance.</p>
	<p>11:35 AM FSHR Acting Director introduces the Acting AS/DG, Acting Assistant Secretary for Global Markets and Director General of the U.S. and Foreign Commercial Service.</p>
	<p>11:35 AM Acting AS/DG makes brief remarks and introduces the ITA Deputy U/S.</p>
	<p>11:40 AM Deputy U/S makes brief remarks and introduces YOU.</p>
	<p>11:45 AM YOU give brief remarks, and then proceed immediately to the left of the stage, when facing the audience, to receive the officers.</p>
	<p>11:55 AM FSHR Acting Director thanks YOU and invites the ITA Deputy U/S and Acting AS/GM to join YOU on the left side of the stage when facing the audience. YOU are third in line, in the honor position, to greet and shake hands with the Officers as they come on stage and pose for a photo. Stand in such a way so that the photographer can clearly see the side view of both you and the officer. The FSHR Acting Director will call each new officer to the stage and state their post of assignment. YOU shake hands, congratulate, and pose for a photo. The photographer will be located in the center of the first landing in the auditorium. As soon as you shake the hand of the last officer, head immediately to the podium to administer the Oath of Office to the group, asking them to repeat each line after you.</p>
	<p>12:05 PM YOU then read the oath line-by-line with the officers repeating after you as a group.</p>

OATH OF OFFICE

(Affirm)

I, (state your full name), / do solemnly affirm/
that I will support and defend / the Constitution of the United
States / against all enemies foreign and domestic; /
that I will bear true faith and allegiance to the same; / that I take this
obligation freely; / without any mental reservation / or
purpose of evasion; / that I will well and faithfully discharge/
the duties of the office on which I am about to enter.

12:10 PM Immediately after the swearing-in, YOU walk across to the center of the stage to pose for a group photo with the officers. Several photos will be taken that include the ITA Deputy U/S and the Acting AS/DG on either end of the group of officers. Then, the ITA Deputy U/S and the Acting AS/DG will step to the side so that additional photos can be taken with just YOU and the officers.

12:15 PM FSHR Acting Director announces the conclusion of the ceremony and invites the attendees to gather in the main lobby for the reception; YOU depart the auditorium, while the Deputy U/S and Acting AS/DG join the guests in the lobby for the lite reception.

Hi Cameron, we heard from the State Department today that U.S. Ambassador to Ukraine Yovanovitch will be here next Friday and would very much like to meet with U/S Hernandez.

The time slot they gave us is from 10am – 10:30am. We are sorry about the past scheduling difficulties but State is reassuring Matt and I that the Ambassador will be able to make this meeting.

Happy Friday to you.

I know that you would've gotten back to me if you found a good time for the meeting next week.

Since this is UNGA time, we are working through the weekend, as I'm sure you all must be non stop, so feel free to email us if you know anything over the weekend.

Also, I have copied Tricia Lloyd on our team so that she can get back to you quickly if I'm not available.

I look forward to meeting you all.

Have a good Friday night.

Wendy,

Good morning.

So that you have the more detailed information that you requested in one place, I have attached our invitation letter to Sec. Ross as well as the executive summary, list of country members and the DRAFT format of the agenda.

On the agenda, in addition to the HBS Professors, we have Michelle Caruso-Cabrera from CNBC who also wants to serve as a moderator. We are in talks with CEO's who want to be speakers but we are finalizing it all now. Happy to talk thru the options with you and we can build the agenda to include all the right people.

I look forward to talking this through with you, answering any questions and hopefully working with you all on the Symposium and the whole UNGA trip.

We have the 19th, the date of the Opening Debate (the day POTUS speaks), and the 20th both planned. As you might know, there is Jewish holiday at sundown on the 20th.

I'll get you the outline of the agenda format in the morning. The way that we have done it for 10 years is that we rotate Heads of State speaking and CEO sharing their "Voice of Business" and then we weave in unique though leaders. It is a combination of HBS style interactivity, the practical nature of investment banking events with the excitement of a head of state summit....all to focus on real results.

I'll get you the agenda and more background in the morning.

We would like to work with you and Sec. We really get how to help DOC and the Administration to look good during UNGA and how to help the attending country leaders to look good as well.

We have over a decade of knowing the UNGA players and games. IEA

was created to be an open platform model to work with all the players and do the convening and you all can do the meetings and policy. Thus, the word "Alliance" in our name.

I can fill you in more on a call. Mr. Miller knows IEA successful work well, as do many others who I can share with you.

I hope that gives you more background that you were asking for. I look forward to answering any more questions. How is tomorrow for you?

Good afternoon.

It was nice talking with Cameron this morning. Per our discussion, she asked me to send you an email about the purpose of the call. In an email this morning, Sec. Ross suggested to Steve Miller that I reach out to you to talk. In the emails below that I sent to Sec. Ross, there is quick introduction to IEA.

As I mentioned to Cameron, the International Economic Alliance or "IEA" has 60 Country Members and a deep knowledge on the workings of the UN General Assembly Week "UNGA" and year-round global economic engagement with these key countries. We would like to work with you all year-round but first to help make Sec. Ross' and the President's UNGA trip the week of September 18 a success.

Our website is www.iealliance.org <<http://www.iealliance.org>> (new website coming next week) One of our key values is that we are an Alliance and can help pull together all the major players...Councils, think-tanks, government leaders and CEOs so that everyone is included and it creates a network effect that will help everyone.

When is a good time for you to talk this week about the details and opportunities?

With my best to you both,

Van

Steve,

Thank you for the kind introduction to Sec Ross.

Sec. Ross, It is nice meeting you via email and thank you for your time and service that you are giving to our country.

As Steve mentioned, IEA has been in the middle of US economic engagement between CEOs and our 60 country members (G20 + 40 invited growth countries) since 2002. We have hosted our annual meeting for 10 years during and with the UN General Assembly. This has given us a very unique view of how our country can best benefit from the opportunities of the world's Heads of State and economic ministers coming to NYC...

We would like to be able to share these insights with you and work with your team to make your and President Trump's first UNGA in September meeting a big success.

For more background, IEA was conceived at HBS as with many Professors, like Prof. Mal Salter Prof, John Quelch and others who you might know combined with the leaders that Steve mentioned but also with two of your predecessors as Secretaries' of Commerce: Sec. Robert Mosbacher as Founding Chairman of IEA and with the support of then active Secretary of Commerce, Don Evans. IEA is a true non-partisan platform that has worked through many administrations to enable open discussions of how to best grow economies and jobs.

I look forward to giving you and your team all the background on IEA and UNGA and see how we can work together in September. When is a good time for you to meet in the next few weeks in DC or wherever you may suggest?

With my thanks to you both,

Van

Dear Wilbur,

IEA has for a decade sponsored a 'Global Investment Symposium' each October in at the time of the United Nations General Assembly. This symposium connects CEO's with heads of state from a number of countries.

IEA's advisory board is chaired by Thomas Pickering, former Under Secretary of State and Vice Chair of Hills & Co. Honorary Co-Chairs

Subject: US Amb to Ukraine Meeting on 7/28

Hi Cameron, we heard from the State Department today that U.S. Ambassador to Ukraine Yovanovitch will be here next Friday and would very much like to meet with U/S Hernandez.

The time slot they gave us is from 10am – 10:30am. We are sorry about the past scheduling difficulties but State is reassuring Matt and I that the Ambassador will be able to make this meeting.

Would U/S Hernandez be available?

Please find attached the list of Argentines visiting DC this Thursday and Friday to follow up to Secretary Ross's phone call with Minister Cabrera last week. In addition to our agriculture market access issues, they plan to discuss GSP and biodiesel (AD/CVD determinations coming after the VPOTUS visit). Just a reminder, Secretary Ross is recused from the biodiesel AD/CVD case and VPOTUS travels to the region (which includes an Argentina stop) next week.

Instead of meeting the delegation this Thursday, would Secretary Ross be available to meet with the delegation on Friday, August 11 after 1:30pm? This way the delegation would have technical conversations with USTR and USDA before meeting Secretary Ross. This meeting could take place either in person or via phone.

Alternatively, if Secretary Ross is unavailable to meet with the delegation at all, could they meet with you and E&C regarding the biodiesel case?

Yes and big thanks. Expectation is that our group will include 3 industry leaders in from out of town, as I wrote to Joseph, plus one SEIA VP and myself. Any adjustments to that would be minor, and I will be able to let you know for sure by Friday. Pls let me know what DOC entrance we should use, and we will show up there at 12:50pm..

<[REDACTED] (b)(6) [REDACTED]>

Dear Mr. Hyatt and Mr. Hernandez,

I hope this note finds you both well.

I'm writing in regard to an extremely urgent and deeply troubling development for Uber's business in the Philippines.

Last month, our primary regulator under the national Department of Transportation ordered Uber and our regional competitor Grab to cease activating new drivers to work on our apps. Both Uber and Grab stopped activating new drivers, but continued to accept applications from drivers looking to be activated at some point in the future.

Yesterday, the regulator issued a new order stating that Uber's mere acceptance of applications for future activation constituted a violation of the ban on activation and that Uber's service—and Uber's alone—is now shut down throughout the Philippines for an entire month.

This is a grossly disproportionate penalty for an alleged administrative misstep. A forced, month-long shutdown would be an incredibly serious matter for any business. But it is difficult to convey the unique threat this poses in a market as rapidly evolving and fiercely competitive as ours. The order is also strikingly discriminatory in that it targets an American company while disregarding the identical actions of our regional competitor.

An immediate resolution is of the utmost urgency for the future of our business in the Philippines. We are already in touch with Ambassador Kim in Manila and have written to the Philippines' chargé in Washington. I would be deeply grateful for any guidance and assistance you can offer. I can be in Washington by tomorrow morning and my DC-based colleagues are available to meet today.

Thank you so much,

Matt

Thanks Cameron.

I've reserved a booth at the Stone's Throw restaurant, which is at the Marriott Woodley Park, for 8:00 am on Thursday.

I wouldn't imagine this discussion lasts longer than 30-45 minutes. Would that provide sufficient flexibility for Israel to make his 9AM call?

I've asked our team at the hotel to check and make sure that the Stone's Throw is an appropriate space, and also spoke with the restaurant manager. Will suggest an alternate venue only in the event my colleagues report back that it would not be suitable.

Let me know what you think.

Subject: RE: Tentative Mtg Sec. Ross & GMA
Hi Chelsey,

Thank you so much and I look forward to following up with you.
I wanted to share with you in advance the background material for the meeting to your team (please see below as well as the attachments).
1. GMA would like to introduce GMA to the Secretary, showcase our industry's economic impact as the largest source of U.S. manufacturing jobs, and highlight our contribution to U.S. exports.
2. Processed food and beverage exports totaled about \$40 billion in 2016 -- one-third of all U.S. agricultural exports - with Mexico and Canada as our top two export markets.
Access to foreign markets is critical if we are to grow this economic engine and create more U.S. jobs. To that end -- we will brief the Secretary on our recommendations for how a modernized NAFTA could be the 21st century gold standard for trade in our region and for future U.S. trade agreements. We are fully aligned with our Canadian and Mexican industry counterparts on this goal. Attached is our response to USTR's public consultation regarding NAFTA objectives.
3. We would also like to share our recommendations for reducing non-tariff barriers blocking U.S. exports to Asia, including opportunities for the President to lead bold, concrete commitments when he visits the Asia Pacific Economic Cooperation (APEC) Leaders Summit in November. GMA has long partnered with the Secretary's excellent APEC team, for example on a brochure detailing the substantial burden of bureaucratic paperwork requirements that impede food trade (link: <http://fscf-ptin.apec.org/docs/events/2017/export-certificate-workshop/Export-Certificate-Brochure-May-2017.pdf> <<http://fscf-ptin.apec.org/docs/events/2017/export-certificate-workshop/Export-Certificate-Brochure-May-2017.pdf>>).
4. Lastly, we would like to share with the Secretary our request for the United States to lead in the World Health Organization to ensure WHO nutrition recommendations are based on science and do not denigrate U.S. food and beverage products

Thank you again, and I look forward to hearing back from you soon.

Subject: Call on Suniva Trade Case

Loretta –

As we discussed this morning, the focus of my call with Israel this afternoon will be:

- Introducing my colleague Michael Zehr to Israel. Michael represents Sunnova, a Houston-based solar company which will be directly affected by any potential tariffs which may be placed on imported solar panels depending on how the ITC issues are handled.
- Introducing Sunnova. Sunnova is unique in their positioning as a free-market solar company that wants to eliminate all federal solar/renewable subsidies and compete in a free market – which is one of the main reasons that they are not members of the Solar Energy Industries Association
- Relaying concerns with the Trade Case. Although Sunnova would associate themselves with the concerns raised by SEIA, the Heritage Foundation and ALEC, their standing as a direct participant in the industry who has the potential to be negatively affected by the 201 case is important. They also would like to initiate discussions with Israel on potential remedies if they are needed following the ITC proceedings.

Please let me know if you need anything else.

Thanks.

Michael

Loretta -

Thanks for the call yesterday. As I mentioned, I am working a couple of different groups which are concerned with the request by Suniva and SolarWorld to impose tariffs on imported solar panels, including Sunnova - a houston-based solar company attempting to end the renewable subsidies in the federal tax code and compete in a free electricity market.

While we are not part of the Energy Trade Action Coalition, we share the concerns that the group has raised.

I appreciate your willingness to set up a conversation with Israel. I am flying into DC this morning and can make a call or meeting any time this week. Please let me know what will work on your end.

Thanks.

Israel,

Barnes & Thornburg works with Ernst & Young, which, as you probably know, advises federal agencies on how to streamline federal programs, be more efficient, root out fraud and abuse, etc. I know you're buried, but would you, by chance, have availability to meet with a E&Y's D.C. office sometime in the next couple weeks? I've cc'ed Sahra because I know E&Y has an interest in Census issues (though their services would extend to other bureaus...).

Thanks, Israel.

The Secretary's participation is integral to this meeting, as he is needed to officially task the Council on behalf of the President. The requested time commitment is 10-15 minutes for the call, with 20 minutes a day or so ahead of time for pre-brief. We discussed this meeting with the Secretary during his pull-aside with PAC-DBIA Chair Jay Ireland (GE) and Staff Rep Leslie Griffin (UPS) on June 14, following his speech at the CCA Summit.

So, we were wondering if you could help us identify time frames that might work for the Secretary with enough lead time to allow us to get the requisite Federal Register notice published? We have reached out to the PAC-DBIA chairs to see if they are aware of any time frames that would not work for their members.

Thanks in advance for your help!

August 17, 2017

BRIEFING paper FOR Israel hernandez

FROM: Ingrid Mitchem, Director, Industry Trade Advisory Center, x2-3268

EVENT: Conference Call Meeting with the ITAC Committee of Chairs

DATE: Tuesday, August 22, 2017 from 3:00 p.m. – 3:30 p.m.

LOCATION: Via Teleconference

Dial-in Number: (b)(4)

CONTEXT & PURPOSE

* This will be your first opportunity to speak with the ITAC Committee of Chairs and to provide an overview of the Administration's trade policy priorities, including NAFTA negotiations, priorities for discussions with Korea on KORUS FTA, and potential free trade agreements. It is also a good opportunity to thank the Chairs for their work and leadership of the sixteen ITACs and to ensure them that both the Secretary of Commerce and the United States Trade Representative are committed to the trade advisory committee system and to improving the consultation process to ensure they and the ITAC members have what they need to fulfill the committees' statutory obligations.

Summary:

* Give brief remarks about the Administration's trade policy priorities for FY 2017.

* Invite the ITAC Chairs to detail its priorities as we move forward with the NAFTA negotiations and discussions with Korea on KORUS FTA.

Background:

* The sixteen ITACs, plus the ITAC Committee of Chairs, are part of the USTR-led trade advisory committee system and are co-administered by the Department of Commerce (Commerce) and the Office of the United States Trade Representative (USTR). The Committee of Chairs is comprised of the Chairs of the sixteen ITACs and advises the Secretary and the USTR concerning the trade matters of common interest to the ITACs with respect to the operation of any trade agreement once entered into and to other matters arising in connection with the development, implementation, and administration of the trade policy of the United States. In particular, the Committee facilitates information exchange among the ITACs. The Committee also performs such other advisory functions relevant to U.S. trade policy matters as may be requested by the Secretary and the USTR, or their designees. The Committee usually meets 2-3 times a year mostly via teleconference and each month USTR hosts a regular monthly conference call briefing with all the Chairs in the trade advisory committee system to provide a trade calendar of negotiations looking forward 30-60 days so they can plan their upcoming meeting agendas accordingly.

* The ITAC Chairs place great importance on being consulted regularly during trade negotiations and on having access to the consolidated texts and non-conforming measures (NCMs) as the negotiations proceed. The Chairs raised the concerns about these issues on numerous occasions during the TPP and T-TIP negotiations, and sent a

letter to Secretary Ross and Acting USTR Stephen Vaughn regarding the working relationship, dated March 6, 2017 (attached). The Chairs are planning to modify the letter now that Ambassador Lighthizer has been confirmed and the NAFTA negotiations have begun. This is an opportunity for you on behalf of the Department of Commerce to engage the Chairs and assure them that their concerns are being heard. The ITACs are required to submit reports to Congress within 30 days of the President notifying Congress of his intent to enter into a trade agreement. The ITAC Chairs are very concerned, given the fast-paced schedule of the NAFTA negotiations, that they will not have sufficient access to the texts to review in order for the ITACs to fulfill this statutory requirement. The Chairs want to be assured that the problems that occurred during the TPP and T-TIP negotiations do not repeat themselves in other on-going and future trade negotiations.

* For NAFTA negotiations, USTR did post approximately 14 chapter texts for the first round of the negotiations and stated that more will be coming during the Chairs pre-brief on August 14; however, the ITAC Chairs on this call were adamant that they receive not just the U.S. proposals being tabled, but offers from Canada and Mexico.

Top policy issues

* Attached is a summary list of the ITACs' top priority issues cutting across the ITACs and issues specific to each of the sixteen ITACs.

Hi Chelsey,

I understand that Genworth Board Member Senator Kent Conrad has discussed a meeting between Secretary Ross and Genworth with the Secretary's staff. I have been asked by Senator Conrad to follow-up with you to arrange a meeting if possible.

Genworth is a Fortune 500 Insurance Company with leadership positions in the US Long Term Care insurance market and mortgage insurance markets in the US and four other countries. Genworth has a notice before the Committee on Foreign Investment in the United States ("CFIUS") to review its proposed acquisition by China Oceanwide. Tom McInerney, Genworth's President & CEO and Jim Riepe, Genworth's Non-Executive Chairman, would like to request a meeting with Secretary Ross to discuss the transaction and their perspectives on the benefits of the transaction to U.S. interests, including the economic implications of Genworth's position as the leading long-term care insurer in the country, the importance of its proposed acquisition to the sustainability of the private long-term care insurance market, and the impact to future Medicaid obligations.

Please let me know when Secretary Ross might be available to discuss these matters. You are welcome to call me at 804-662-2405 or email me – whatever is most convenient.

Robert Rangel

Topic:

"Lockheed Martin is a large aerospace & defense company. Most of Lockheed Martin's exports are controlled, and Commerce plays a key role both in advocating for the sale of those systems and ensuring that the sensitive technology is properly reviewed. Accordingly, their defense advocacy priorities in key regions and export control policy are likely high on the list. In addition, I expect that Ms. Hewson would want to talk about the Secretary's broader perspective on the international trade agenda and next steps for the Buy America reviews.

I would characterize this as opportunity to have a broad conversation on how Lockheed Martin can continue to support the national and economic security agenda by increasing exports and US jobs and ensuring that our partners and allies have the systems they need to support US global security interests." Per Mark Webber, Lockheed Martin Gov't Affairs

Specifically:

- * Lockheed Martin Overview and Priorities
- * Lockheed Martin's Partnership with NOAA
- * Department of Commerce Critical Roles:
- * Aerospace & Defense (A&D) Trade Advocacy
- * Administration Efforts to Strengthen the Defense Industrial Base
- * Streamlining U.S. Export Controls

Subject: Meeting Request with Secretary Ross

Jennifer:

I was hoping you could point me in the right direction for submitting a meeting request for my CEO, Marillyn Hewson, with Secretary Ross.

The Secretary and Ms. Hewson had an opportunity to speak at an event in early June, which led to the Secretary sending a kind note on June 21 noting his interest in getting more input on how Lockheed Martin can promote growth. Accordingly, we were hoping to get something on the calendar for a brief discussion regarding LM's priorities.

I know the Secretary has many demands on his time, but if we could find a date that is mutually workable in the coming months, it would be much appreciated.

And of course, if you'd prefer I work this request through the COS, scheduler or other POC in the Secretary's office, please don't hesitate to let me know.

Thanks in advance for your assistance.

Sincerely,

Mark

Morgan, Chelsey and Hunter – the meeting with the Argentine delegation to discuss biodiesel imports is moving from 5:00 pm to 1:15 pm tomorrow (Tuesday) to accommodate airline flights for the Argentines. Please add the meeting to the Secretary's schedule for 1:15 to 1:45 (so David Maggi will slip 15 minutes). Hopefully that works.

So I just talked to Pablo Brizuela. They would like to move the meeting to 1:15 because Pablo Quirno (the Chief of Cabinet Secretariat for International Economic Relations (3rd on the list)) has a plane ticket to return to Argentina tomorrow at 5:30 and so far he has been unable to change it. Brinzuela would Quirno to attend the meeting with the Secretary but will understand if the meeting time cannot be changed.

Sorry to ask you this, but we would like to change the time of the meeting and move it back to 1.15pm If that is possible, to allow one official from the delegation to participate in the meeting.

If it is not possible we stay with the 5pm time.

Subject RESCHEDULED: Meeting with Representatives from Exxon Mobile re Sanctions
Location Department of Commerce Room 5511

 RESCHEDULED TIME

Below is the incoming email from Dan Easley at Exxon Mobile outlining what they would like to discuss.

Jennifer,

Thanks for the call today. As we discussed, post-passage of the Iran, Russian, N. Korea sanctions legislation, we are planning on some executive branch engagements on Treasury disposition of the new law. I've been in touch with WH and DOE staff on the issue, but wanted to engage at a high level within Commerce Department. As you are aware, during Congressional consideration of the legislation, we were able to prevail upon the Congress to modify the original Senate-passed version to incorporate some critical changes that would not unduly harm U.S. companies and enrich foreign competitors. While the language has been drastically improved, there are some concerns we have about the next steps at Treasury and want to make Commerce aware of these concerns. We assume that Treasury will produce guidance, FAQs, and/or promulgate new regulations to implement facets of the legislation. Within that process, we want to ensure that consideration is given to ensure that the framework does not unduly harm U.S. companies. We have some particular concerns and ideas we can present. I'll have my team of attorneys in town the week of the 21st, as well as the week of the 28th, and would appreciate your views on who would be most appropriate to visit with. We'll also be going in to see WH, DOE, Treasury, OMB and others. Per our conversation we'd be happy to come in and meet with Earl Comstock, Israel Hernandez, and any others you deem appropriate.

Thanks in advance for your views. Have a great weekend.

Dan Easley

Subject: RE: Invitation for Acting Undersecretary Israel Hernandez for the Singapore Embassy's 52nd National Day Reception

Message Classification: Restricted

Hi Amy,

I hope you had a good long weekend!

A few more details on the event tomorrow. There will be two guests of honours, i.e. Acting U/S Hernandez and NSC Senior Director for Asia Matthew Pottinger. The remarks will start at 7.07pm and Acting U/S Hernandez is scheduled to speak after Pottinger. Thereafter, they will both be invited up on stage for a toast and photo-taking. We'd be grateful if he could arrive by 6.50pm.

I will be the Embassy's liaison officer for Acting U/S Hernandez for the event tomorrow. I will meet him at the front entrance, introduce him to Ambassador, direct him on stage, and ensure that he gets champagne for the toast, and a plate of food during the reception. I've attached the menu in case he wants to know what food will be served. Also, his car will be allowed to park inside Mission. May I have the following information please so that I can inform the security officers to let him in – his licence plate number, car make and colour? Thank you!

Aishah

Subject: Re: Meeting request

At the risk of asking for too much, would it also be possible to schedule a meeting for the US Mexico Business Coalition to meet Izzy? This is a coalition of American companies (CAT, Honeywell, UTC, Smithfield Foods, Walmart, etc). It would be a small Roundtable 10 companies to discuss their various interests in strengthening the Mexico relationship specifically as it relates to NAFTA and/or any upcoming bilateral negotiations.

Thanks so much for both!

Yes! Thank you!

I am so sorry to keep asking for stuff!!!!

Also, could we schedule an American Central European Business Association (ACEBA) Roundtable with Izzy? This would be in partnership with the US Poland, American Romanian, American Lithuanian and American Hungarian business councils.

Bottom line, this request will cover 14 countries in Central and Eastern Europe (not Ukraine) and I will bring 10-12 large multinational AMERICAN companies to talk about regional priorities. Izzy would be in listening mode. Silvia Savich at UDOC is your expert. She can brief Izzy. She is awesome.

Thanks for considering!

Eric

Subject: RE: Israel Hernandez - Speaking Invitation - NCBFAA

Good Morning,

I write to follow up on the invitation below. We would like to confirm Israel Hernandez as a speaker at our Government Affairs Conference on Monday September 11 from 10:10-10:30 am at the Hyatt Regency on Capitol Hill: <https://washingtondc.regency.hyatt.com/en/hotel/home.html> <<https://washingtondc.regency.hyatt.com/en/hotel/home.html>>

We would like to request a pre-conference discussion with Mr. Hernandez to discuss his remarks. We are hopeful that his remarks can include how the administration is managing the new export push, where freight forwarders can help support new exporters and a bit about the Getting to Global initiative that you are rolling out in partnership with NCBFAA. Our audience will be almost all brokers and freight forwarders. An excellent description of freight forwarders can be found here: <http://www.farrow.com/article-what-is-freight-forwarding> <<http://www.farrow.com/article-what-is-freight-forwarding>>

Thank you again and we very much look forward to having Mr. Hernandez speak with us in September.

Megan

LOCATION: Ronald Reagan Building – Training Room A

BACKGROUND: The sixteen ITACs are part of the USTR-led trade advisory committee system and are co-administered by the Department of Commerce (Commerce) and the Office of the United States Trade Representative (USTR). ITAC 10 provides detailed policy and technical advice, information, and recommendations to the Secretary of Commerce and the United States Trade Representative (USTR), or their designees, regarding trade barriers, negotiation of trade agreements, and implementation of existing trade agreements affecting its industry sectors. The Committee is very active and meets approximately 10-12 times a year. In 2017, ITAC 10 has submitted letters of recommendations on (1) its trade priorities for the new Administration; and (2) on the negotiating objectives for the modernization of the NAFTA and ITAC 10's priorities for the renegotiations. Particular issues of interest include FTA (re)negotiations, bilateral investment treaties, non-conforming measures (NCMs), and access to negotiating text and NCMs.

PURPOSE OF EVENT: The purpose of the meeting will be to brief the members of ITAC 10 on the Administration's trade policy agenda as well as the Department's and the International Trade Administration's trade priorities moving forward.

PRINCIPAL ROLE: To be introduced to the members of ITAC 10 members and speak on the Administration's trade agenda and Commerce/ITA trade priorities, followed by Q&A's.

Hi Cameron:

Thank you for the bio and photo, much appreciated!

Undersecretary Hernandez doesn't need to worry about those questions, those were for the Dept. of Education folks to use as a guideline. He can use them in casual conversation if he wants.

The bullet points are also just some basic information about SkillsUSA and our role in fielding a team for WorldSkills competition to compare our skilled and technical training methods against other nations.

Most SkillsUSA members are studying a trade in high school or college that leads to a solid middle skill career in things like plumbing, HVAC, hair dressing, automotive technology, drafting, computers (software or hardware), electronics and mechatronics. SkillsUSA's mission is to help deliver a trained skilled workforce and we graduate over 100,000 students each year who are career ready and have learned not only hard technical skills but vital soft skills like communication, conflict resolution, time management and problem solving.

As for talking points, he can congratulate the U.S. team and wish them well in competition. Mainly, he can explain the role of the Department of Commerce as it relates to workforce development--and how experiences like US students competing on a global level fits in with creating jobs, promoting economic growth, encouraging new ways of doing things and sustainable development and improving standards of living for all Americans by working in partnership with businesses, universities, communities, and workers.

Also, the role of Commerce in promoting American businesses and industries and its role to foster, promote and develop the foreign and domestic commerce.

I hope this helps!

Karen

Hi Cameron:

We are working on final details for our meeting next week with SkillsUSA and the U.S. Department of Education, which takes place Tuesday, September 12 at 2 p.m. the U.S. Department of Education.

We are scheduled to be in the Secretary's Conference Room.

The meeting should last 45 minutes (2 p.m. to about 2:45 p.m.) but we blocked a little more time into our day in case there are questions etc. and we ran over. We will end the day with a reception for select Washington, D.C. SkillsUSA business partners, and the Secretary is welcome to join us if desired.

Attached are some suggested talking points and the types of questions that the Acting Secretary Israel Hernandez could ask of the students or their industry supports. Also attached is a short overview of WorldSkills with a link to their website and a SkillsUSA Fact Sheet.

We would like to take some photos with the Secretary and any dignitaries, if that is acceptable.

Also attached is our attendee list as of today. Please let us know if you have any questions!

Thank you,

Karen Kitzel

CLEARED THROUGH ETHICS

Good Morning Israel,

Thanks you again so much for taking time out of your busy schedule to attend yesterday's event. Per your discussion yesterday with Ambassador Chaly, the Ukrainian Embassy is inviting you and your staff to attend the 26th anniversary of Ukraine's independence. I went to this event last year and it was well attended with over 500 participants including a number of congressmen. I'll be going with Matt and others from our team.

The event will take place at the United States Institute of Peace, 301 Constitution Avenue, N.W. on Tuesday, September 12, 2017 from 6.00 p.m. to 8.00 p.m.

Please let me know if you'd like to attend. The Embassy would also like to invite Secretary Ross and if he decides to come, they would very much like for him to have a speaking role. I'll be sending the invitation for the Secretary through ODUS unless you would like for me to send it in a different way.

All,

Izzy and AJ met with Palantir a couple weeks ago and were impressed with some of their features. They want to fill you in on some of the information shared and potential opportunities. Palantir has offered to meet whenever you all have time.

At your convenience, will you send over your availability to meet in September? I was thinking sometime during the week of September 11. We can hold the meeting at Census HQ if that is most convenient.

Please let me know and I will coordinate with the folks at Palantir.

Dear Wendy and Eric,

I am writing this, following Mr. Toby Myerson's request. In May, Toby kindly asked your Secretary for introducing me. Unfortunately, your Secretary was traveling at that time.

This time I visit D.C. for participating round tables at Brookings,

Mansfield and CSIS in connection with the US-Japan 123 Agreement (US-Japan Nuclear Cooperation Agreement) but in addition I would like to exchange views with the US leaders on the US-Japan economic relation and possible joint projects financing infrastructure projects or decreasing trade deficit. I'm sure your Secretary is extremely busy so if he can't, I want to see his trustful staff.

Is there any time workable for you in the following slots?

September 12: 11:30-14:30, 17:00-18:30 September 13: 9:00-11:30, 17:00-18:00

Hey Macie,

Nice talking with you just now. Congressman Jack Kingston along with our client, Biotechnology Innovation Organization (BIO), met with Reed Cordish this week. Reed strongly suggested we follow up asap with a meeting with Secretary Ross.

As background, BIO is a worldwide organization with over 1,000 members consisting of academic institutions, state biotechnology centers, biotechnology companies and related organizations. Joining Jack in the meeting would be BIO's president, Congressman Jim

Greenwood, Gary Andres, Senior Executive VP of Public Affairs, and possibly some of their board members. The topics include drug pricing, drug re-importation, and Part B.

Thanks so much for passing this along to the right folks. Happy to provide more information or set up a phone call with Jack if that's helpful. If it's useful, Dolly helped arrange the meeting with Reed and Mathew Lira was also in the meeting.

Thanks so much!

Dear Secretary Ross:

I am writing to request a meeting with you for Marc Lautenbach, the President and CEO of Pitney Bowes on Thursday September 14th

Subject: More than 100 Business Groups across Major Manufacturing, Services, Technology and Food/Ag Sectors Urge Administration to Maintain and Upgrade ISDS in NAFTA Modernization; Request for Meeting with Secretary Ross for Senior Corporate Executives
Importance: High

All,

Please find attached a letter signed by 108 associations representing millions of manufacturing, services, technology, energy and food/agriculture businesses throughout the United States urging Secretary Ross and his administration colleagues to maintain and upgrade investment access, protections and enforcement, including specifically investor-state dispute settlement (ISDS) in a modernized NAFTA. This is a critical issue for a wide range of industries throughout the United States – from manufacturing and energy to infrastructure, technology and services – to ensure foreign governments do not treat U.S. businesses unfairly.

In addition, on behalf of my colleagues signing this letter and our companies, I would like to request a meeting with Secretary Ross to discuss this critical issue with business associations and senior company executives across U.S. manufacturing, energy and service sectors. We seek this opportunity to explain first-hand why investment enforcement and ISDS, along with investment access and protections, are critically important to the United States and its workers and need to be included in an updated NAFTA. Given the speed of the NAFTA negotiations and the importance of this issue to businesses across the nation, we urge the opportunity to have this in-person discussion as soon as possible.

I look forward to hearing from you about arranging a meeting and welcome any follow-up questions.

 Hi Chelsea:

Dave Leach, CEO of Greyhound Lines, Inc., Dallas, TX will be in town on Wednesday and Thursday, September 13th and 14th. Greyhound operates the only nationwide network of intercity bus service in the United States. Would Secretary Ross have some time available to meet with Mr. Leach on one of those days?

The purpose of the meeting would be provide an overview of Greyhound Bus Lines and discuss the importance of NAFTA trade provisions that impact Greyhound. Mr. Leach would very much like to discuss these issues with the Secretary.

Please let me know what might work. Thanks for your consideration.

Good Morning Sahra,

Regarding the meeting invite below: sorry that Director Moyer had to decline the invitation, but today is his first day back after being on travel all last week, so his calendar this week is even worse than usual! However, Brian does have a two-hour block of time (hour-long meeting, plus the half hour commute from MD to DOC, and half hour commute back) available any time this Friday morning (15th) between 8:30 and 2:00 to meet with UndSec Kelly.

Should you have any questions, please don't hesitate to contact me.

Hi Karen,

Everything in Guam went well, and there was not as much anxiety about the situation with North Korea as I expected.

Also, I spoke with Sally, and I'm glad to hear everything worked out with the Brookings paper.

I also wanted to let you know that I'm going to have to decline the meeting invitation you sent for Tuesday at 1 PM. I have a COPAFS meeting with John Thompson at that same time.

To make it easier, you might want to ask Linda Bonnie, in your office, to coordinate with our assistants to schedule these types of meetings so that you don't have to worry coordinating schedules. My assistant is Vickie Bingham, and she is more than happy to help with this.

Have a pleasant weekend, and I'll talk with you soon.

Subject: Meeting with Mukesh Aghi

Hi Under Secretary Hernandez,

I'm following up to an earlier request for your participation in a reception with the US-India Strategic Partnership Forum (USISPF) in September. Unfortunately, as you know, we've had to postpone the event but our organization would still very much like to be connected with you.

To that end, I'd be grateful for the opportunity to arrange a meeting between you and Dr. Mukesh Aghi, President of USISPF, at a mutually convenient time. Is there any possibility that you could meet with Dr. Aghi on Friday, September 15th?

Thank you very much!

Andrew-

Per our conversation in today's briefing, please let us know some dates that might work in the next few weeks (after Labor Day) that you would be available to give Izzy an overview of the FTZ process.

Brooke and Carolyn, as background, during a conversation with Gary, Izzy expressed interest in understanding the FTZ process and Gary suggested a briefing. Once Andrew pinpoints some dates that would work, Carolyn, perhaps it would make the most sense for you to reach out to Cameron and John Cooney to set something up?

Thanks all!

Hi Izzy –

It was great to see you when you came by a few weeks ago.

I wanted to invite you to come exchange views at an upcoming meeting of the Cross Border Data Coalition, on September 19 at 9:30 am. The meeting will be at our offices, 800 Connecticut Ave, NW, Suite 800. It is all very informal and would require no preparation on your part.

The coalition is a diverse group of companies brought together out of common concern on data localization and other matters affecting cross border data flows. It would be great if you could make some observations for about 10-15 minutes about the latest on Privacy Shield, NAFTA-related issues (or anything you thought made sense) then we would open it up for questions and discussion. You would be out the door here no later than 10.15/10.30

We would be honored to have you join us. Please let me know if you have any questions.

I have copied Martha Babbitt on this note so that she can work with your team on details.

Thanks for considering this.

Kind regards,

Dan

Subject: Trade Remedies Report for Hill

Izzy,

As part of TPA, USTR needs to send a trade remedies report to Congress 180 days before entry into force identifying the range of proposals put forth in the negotiations, and which of those could require amendments to Title VII (AD/CVD law) or Section 201. In conjunction with the NAFTA renegotiations, USTR has provided a draft of the proposed letter to the Hill. (b)(5) DPP

Please let us know if you would like to discuss. Although USTR asked for comments by this morning, we informed them that we would have comments and would to send this up through the Undersecretary of ITA before reverting back.

Subject: Draft Trade Remedies Report for Hill

Lee,

As part of TPA, we need to send a trade remedies report to Congress 180 days before entry into force identifying the range of proposals put forth in the negotiations, and which of those could require amendments to Title VII or Section 201. We did this in both TPP and TTIP, as well as earlier FTAs.

Given our NAFTA 2.0 timeline, our FO wants to get this to the Hill ASAP. Therefore, please let me know if Commerce has any comments on the letter by COB today (or maybe OOB Monday at the very latest).

Please let me know if you have any questions.

I am writing to request an appointment with you for ConocoPhillips' CEO, Ryan Lance. We learned late yesterday that Mr. Lance will be in Washington on Wednesday, September 20 and is available from 2:00 PM through the end of the day. I'm available to answer any questions you may have and to coordinate a specific meeting time with your office. I'll follow-up shortly to confirm receipt and to see if additional would be helpful as you consider this meeting request.

The agency China/Latin America specialists are out of the office next week and have proposed Sept 20 or 21. I know Izzy had requested sooner rather than later. I'd like to suggest we keep that time for our technical briefing that he requested with some time devoted to China and also start to prep him for the Brazil Council event and then meet with the other specialists the following week.

What do you think?

Thanks!

Subject: Cyber Security Awareness Training

Hello All,

We are closing in on September 30th. More than two thousand ITA staff have not completed Cyber Security Awareness Training (CSAT):
<https://itainternationaltrade.sharepoint.com/teams/ITA/traininghub/Pages/CSAT.aspx>
<<https://itainternationaltrade.sharepoint.com/teams/ITA/traininghub/Pages/CSAT.aspx?rucm=b7780972f918485c8cfc32b1ba7438eb>> .

Please see the attached spreadsheet with details of those who have not completed the training in OCFAO. If you see "FALSE" in the last column, that means that you have not completed the required training. Those individuals that are listed, but have departed ITA, I ask that the manager who had supervisory responsibility for that individual to ensure that a request was or will be submitted through eMenu to disable the account. If you need assistance, please reach out to me.

OCIO is still working out some details, but expect that anyone who has not completed their Cyber Security Awareness Training by at least 8AM Eastern Monday October 2nd will have their account disabled. They reserve the right to disable accounts for non-completion of CSAT starting COB September 30th. The training is very easy and starting Monday it will be even easier to get to it (hooray single sign-on!). Please complete the required training as soon as po

Subject: Invitation: NAFTA & Energy Event - 9/7

Dear John,

I hope this note finds you well. Around the NAFTA renegotiations, on Thursday, Sept. 7 the Atlantic Council's Adrienne Arsht Latin America

Center and Global Energy Center will be hosting an event and launching a short spotlight publication analyzing how a modernized NAFTA could improve North American energy market integration.

I thought this would be a great opportunity for Deputy Under Secretary Hyatt or you to join the panel to speak on NAFTA overall and perhaps adding as much of the energy component as desired. The panel would take place from 9:10 a.m. to 10:10 a.m. EDT. Chairman Michael McCaul will then provide closing remarks. Other panelists include David Goldwyn and Jeff Schott.

The event will take place at the Atlantic Council headquarters at 1030 15th Street NW, 12th Floor, Washington, DC and will bring together leaders in the public and private sectors, as well as in the diplomatic and media realm.

Would there be interest? Hope so.

Best,

Jason

Subject: U.S.-Russia Business Council Meeting Request

Dear Izzy,

It was a pleasure to meet you a few weeks ago when you briefed ITAC 16, of which I am a member.

I am writing to respectfully request a meeting with you and the U.S.-Russia Business Council (USRBC) leadership, a representative group of USRBC members (many of whom represent Fortune 100 firms) and leaders of other business associations to brief you on our concerns regarding the Russia related provisions of Public Law No. 115-44, the Countering America's Adversaries Through Sanctions Act.

As we enter the phase in which the Administration is tasked with developing implementing regulations for the law related to Russia, the U.S. business community would like to share with the Department of Commerce our views on overarching policy considerations and specific concerns regarding certain provisions of the law. Given the law's many ambiguous provisions, we believe the regulatory implementation

phase necessitates close consultation with the U.S. business community. We would like to be a partner for the Administration in developing a workable Russia sanctions policy that does not harm U.S. business interests unnecessarily. We believe the U.S. Department of Commerce is an important interlocuter in this respect.

This face to face meeting will likely serve as a good first step in establishing communication channels between you and the business community leaders concerned about U.S.-Russia policy particularly with respect to how it impacts U.S. competitiveness. We also very much welcome the opportunity to better understand from you how the U.S. Department of Commerce will engage in the interagency process of the law's implementation.

I look forward to connecting with the appropriate person on your staff to know what meeting times might be possible in the coming days for the discussion I am proposing. I will then gladly work to secure a critical mass of interested member companies.

Thank you for your consideration.

Kind regards,

Randi B. Levinas

I was reaching out to Tina-Maria today to confirm the Secretary's attendance at this event and I learned that she is no longer with Commerce. See my email below. These are the Secretary's awards and he has approved this year's recipients of the Gold and Silver Medals. The recipients have been notified of the date and time and I'm reaching out to you to confirm the Secretary's attendance. About two weeks prior to the event a briefing package will be forwarded to him providing some background and a sequence of events.

Cameron,

I am reaching out to you to see if you can assist me in confirming whether Israel will be attending the Honor Awards Ceremony. He will be assisting the Secretary in presenting awards to ITA employees.

In the attached memo, it states that on September 26, he should meet the Secretary and the other bureau heads in Room 1851 at 1:45 p.m. for a briefing prior to going into the Auditorium for the ceremony which begins at 2:00 p.m.

I really appreciate your help with this. Thanks.

Subject: AmCham Shanghai Meeting Request (Sept 26-28): Mr. Hernandez

Good Morning Mr. Hernandez,

The American Chamber of Commerce in Shanghai (AmCham Shanghai) – the largest AmCham in the Asia-Pacific region – will lead an executive delegation to Washington, D.C. on 26-28 September to engage with leaders in the Administration and Members of Congress. Understanding that the Secretary is on official travel at that time, AmCham Shanghai kindly requests to meet with you between 26-28 September.

Given the recent developments in the U.S.-China economic and trade relationship, the delegation's visit to Washington is extremely timely. The group is keen to discuss critical issues in the bilateral relationship, especially as the group is comprised of leading executives from American firms doing business in China. The delegation will provide the latest on-the-ground perspective regarding key issues for U.S. enterprises in China, their implications for the United States, and our recommendations for consideration by the U.S. Department of Commerce. We are also keen to hear your views and how AmCham Shanghai can further promote the interests of the American people.

Attached is the formal request letter from AmCham Shanghai President Kenneth Jarrett with further details and below is a list of confirmed delegates.

Thank You,

Ms. Jing Jing Zhang

On behalf of AmCham Shanghai

>

> Morgan and Jennifer,

>

> Earlier this year Dina Beaumont suggested (below) that I follow up with Tina Henry on a scheduling request for my client PriceSmart, the foremost exporter of U.S. consumer goods to developing markets and the largest operator of membership warehouse clubs in Central America, the Caribbean, and Colombia. We submitted the attached letter, but given that we are a few months down the road, I wanted to follow-up with a meeting request for Jose Luis Laparte, President and CEO of PriceSmart, who plans to be in Washington September 26-28 and was hoping to meet with Secretary Ross to discuss the company's challenges in Central America.

>

> As you will read, the letter provides a quick introduction to PriceSmart and discusses some challenges PriceSmart (and other U.S. companies) has experienced in recent years in collecting refunds of taxes collected in excess of statutory rates by the governments of the Northern Triangle countries of El Salvador, Guatemala, and Honduras. PriceSmart worked closely with and received tremendous support from Aileen Nandi, Commerce's regional representative for the Northern Triangle, who recently left the region.

>

> The Journal of Commerce recently released its list of the Top 50 Exporters in the U.S., placing PriceSmart at #36, with the company moving up one spot from last year's ranking. The company is one of the top exporters out of Miami where they just opened a major new distribution facility.

>

> Any time you can offer for a meeting with Secretary Ross on September 26-28 is greatly appreciated.

>

> Thanks for your consideration of this meeting request!

> Subject: Hello, and a Meeting Request for Secretary Ross: PriceSmart

>

> Hi Dina,

>

> Long time no speak! We worked together previously on aspects related to Dirigo PAC - I worked for many years in the Maine delegation and remain close to Sen. Collins and her staff. Hope you're doing well in your new position; these are exciting times!

>

> I understand folks are still being appointed to the Secretary's Office, and we were advised that you would be a good point of contact to reach out to on behalf of PriceSmart, which is hoping to get the attached letter to Secretary Ross. As you will see, this letter provides a quick introduction to the company and requests a meeting to further elaborate on the challenges PriceSmart has seen related to outstanding tax refunds in the Northern Triangle counties. I know that senior company executives would also appreciate the opportunity to recognize Commerce Department officials who have been champions for PriceSmart and to continue to coordinate on resolution of these issues moving forward. We didn't have a specific date in mind, but would be happy to work with you to arrange a meeting when convenient for the Secretary and when the appropriate advisors are in place.

>

> In case you aren't familiar, PriceSmart is the largest operator of membership warehouse clubs in Central America and the Caribbean,

and has recently expanded into South America. Originally launched in 1976, PriceSmart has grown to serve nearly three million cardholders at 39 (and soon to be 40) owned and operated warehouse clubs in 12 countries and one U.S. territory. PriceSmart has more than 7,000 employees worldwide, including 200 employees in each California and Florida. PriceSmart is ranked #37 of the top U.S. exporters by the Journal of Commerce and is also recognized as one of the top exporters out of the port of Miami. PriceSmart's membership club models is similar in many respects to U.S. clubs like Costco and Sam's, although it embraces smaller store sizes, lower membership fees, and merchandise tailored to local preferences.

>

> Thanks in advance for your consideration and we'll look forward to working with you to facilitate this meeting when appropriate. Have a great weekend!

BRIEFING MEMORANDUM FOR ACTING UNDER SECRETARY hernandez

FROM: Maria Cameron, Acting Deputy Director, Office of Latin America & the Caribbean (x0475)

EVENT: Brazil U.S.-Business Council Plenary

DATE: September 27, 2017 from 1:50 – 3:15 p.m.

CONTEXT & PURPOSE

The Brazil U.S. Business Council (BUSC) is holding its annual Plenary meeting in Washington, D.C. on September 27, 2017. This is a half day discussion with approximately 100 business and government leaders about the state of the U.S.-Brazil bilateral relationship with an emphasis on growing bilateral trade and investment. Your participation in the plenary provides an important opportunity for the business community to hear from a Trump Administration official that the United States is committed to a strong relationship with Brazil with commercial and economic ties as the center piece. Other panelists include Ambassador Tom Shannon, Under Secretary for Political Affairs and former U.S. Ambassador to Brazil, Ambassador Sergio Amaral, Brazilian Ambassador to the United States, and Paulo Cesar de Souza e Silva, CEO, Embraer. The panel will be moderated by Jane Fraser, CEO, Citigroup Latin America.

Summary:

- * The Brazil U.S.-Business Council is the premier advocacy organization dedicated to strengthening the economic and commercial relationship between the United States and Brazil. The U.S. section of the council represents the major U.S. companies invested in Brazil, while the Brazil section is managed by the National Confederation of Industry (CNI), composed of 27 Brazilian state-level federations of industry.
- * Brazil is the 12th largest market for U.S. exports and in 2016, U.S. merchandise exports to Brazil were valued at \$30.1 billion while U.S. services exports were \$24.9 billion. The United States had a \$4.1 billion merchandise trade surplus with Brazil.
- * The Commerce Department leads four bilateral engagement mechanisms with Brazil with the primary purpose to prevent, reduce and remove non-tariff barriers (NTBs) to U.S. exports to Brazil: the U.S.-Brazil CEO Forum, the U.S.-Brazil Commercial Dialogue, the U.S.-Brazil Defense Industry Dialogue (DID), and the U.S.-Brazil Infrastructure Memorandum of Cooperation.
- * The BUSBC frequently partners with ITA to address NTBs. Many of the BUSBC's priorities, including customs and trade facilitation, good regulatory practices, and standards parallel ITA initiatives.

Background:

- * President Temer: In spring 2016 Vice President Temer was named acting President during the Dilma Rouseff impeachment process which ended in her impeachment in August 2016. Temer then became President of Brazil. He recruited a predominantly male cabinet that was focused on introducing major reforms to create jobs and get the economy back on a positive trajectory and out of the worst recession in 100 years. President Temer tasked his trade agencies to engage with global markets to expand trade. Brazil has gradually seen exports, led by agriculture products, rise.
- * U.S.-Brazil Commercial Dialogue: The Dialogue is a bilateral engagement mechanism with the Brazilian Ministry of Industry, Foreign Trade & Services through which Commerce works to reduce or eliminate Brazilian trade barriers to U.S. exports. The Dialogue held its 15th plenary meeting on May 9, co-chaired by Acting ITA Under Secretary Ken Hyatt. The Dialogue reiterated its strategic goals of: 1) reducing non-tariff barriers; 2) increasing bilateral investment; and 3) promoting commercial opportunities.
- * U.S.-Brazil Defense Industry Dialogue: The U.S.-Brazil Defense Industry Dialogue (DID) was created in response to a U.S.-Brazil CEO Forum joint recommendation. The DID integrates the private sector into the bilateral military-to-military relationship to foster greater collaboration between industries and more bilateral defense trade and investment. The DID was launched in September 2016 and will hold its second meeting October 10, 2017 in Washington, D.C.
- * U.S.-Brazil Infrastructure Memorandum of Cooperation: The 2016 U.S.-Brazil Infrastructure Memorandum of Cooperation (MOC) was signed in response to a CEO Forum recommendation for the two

governments to identify and remove barriers to U.S. companies seeking to participate in Brazilian infrastructure projects. In December, 2016, the United States and Brazil held the first working group meeting of the MOC in Brasilia. Since then, ITA has worked with the inter-agency to advance topics under the MOC including a finance workshop in June and an intelligent transportation workshop in September. The U.S. Trade and Development Agency expects to sign a Global Procurement Initiative with Brazil later this year.

* U.S.-Brazil CEO Forum: The Forum has not met since June 2015 due to political turmoil in Brazil and recent political transition in the United States. The term of current U.S. CEO members ended June 31, 2017. Recruitment of new members is on hold.

* Bilateral investment treaty (BIT): Key stakeholders have advocated negotiating a high-standard BIT with Brazil. Previous discussions did not lead to negotiations because of sharp divergences of view on key substantive issues. The U.S. position had been that a BIT must include rules protecting portfolio investment, rules requiring compensation for indirect expropriation, and investor-state dispute settlement. Brazil promotes an alternative to a BIT that does not cover these topics. Since 2015, Brazil has signed seven bilateral investment agreements with Angola, Chile, Colombia, Malawi, Mexico, Mozambique, and Peru based on its alternative model, and has reportedly concluded negotiations with India. U.S. FDI in Brazil (stock) was valued at \$65.3 billion in 2015 (latest data available). U.S. FDI in Brazil is led by manufacturing, nonbank holding companies, and finance/insurance.

* Ethanol: The Government of Brazil introduced a 20 percent tariff rate quota on imported ethanol above 600 million liters per year after Brazil registered a \$321 million deficit in ethanol trade with the United States in 2016. At the same time, the EPA is considering a reduction in the mandatory consumption of cleaner biofuels in its Renewable Fuel Standard. If enacted, the reductions could cause Brazil's ethanol imports to further decline.

* Section 232: On April 19, 2017, Secretary Ross initiated an investigation to determine the effects of imported steel on national security pursuant to Section 232 of the Trade Expansion Act of 1962. The Secretary initiated the investigation in light of the large volumes of excess global steel production and capacity, much of which result from foreign government subsidies and other unfair practices. In 2016, the United States imported 5.4 million metric tons of steel from Brazil. Brazil is our second largest source of imports after Canada, and accounts for 13 percent of total U.S. steel imports.

* Beef: On June 22, the U.S. Department of Agriculture suspended fresh beef imports from Brazil on sanitary grounds. The suspension came as a surprise to Brazilian authorities who were in the process of implementing corrective actions. Brazil views the ban as a setback as it works to comply with international norms and expand agricultural exports.

* OECD: In May, 2017 Brazil, along with five other countries (Argentina, Bulgaria, Croatia, Peru, and Romania) requested to join the Organization for Economic Cooperation and Development (OECD). Although the United States and other OECD Members are reviewing

their requests, there is interagency consensus that Brazil does not meet the tough standards necessary to join the organization. For example, we expect all future members to abandon their “developing country status” in the WTO and other multilateral organizations. In addition, the United States is concerned that the OECD lacks the institutional capacity to undertake new accessions (Colombia, Costa Rica, and Lithuania are underway and Russia is on hold). Brazil has a long history of working with the OECD including technical assistance and the United States encourages Brazil to continue to work with the OECD to develop and implement reforms consistent with OECD Membership.

 Subject: David Carmen/ NBB Request

Hi Morgan,

I hope you are well!

David Carmen, President & CEO of Carmen Group Inc., would like to request a meeting with Secretary Ross on a rather urgent basis, as soon as possible, on behalf of the National Biodiesel Board (NBB). The NBB is a national trade association comprised of state, national and international feedstock and feedstock processor organizations, biodiesel suppliers, fuel marketers and distributors, and technology providers. These leaders in the U.S. biodiesel industry's Fair Trade Coalition want to discuss the Commerce Department's recent

preliminary countervailing duty determination regarding subsidized biodiesel imports from Argentina and Indonesia and the Department's role in related anti-dumping trade issues affecting U.S. biodiesel producers. These individuals represent some of the top job producers in rural farm-state America. Their concerns about fair trade and its impact on economic growth in the heartland are in keeping with the stated goals of President Trump and the Administration. They want to be helpful in offering their first-hand experience as it relates to their industry.

Attendees at the meeting would be:

--Kent Englebrecht of Archer Daniels Midland (ADM), National Biodiesel Board Chairman (with plants in North Dakota and Missouri)

--Randy Howard, Renewable Energy Group (REG), Chief Executive Officer (with plants in Iowa, Texas, Louisiana, Illinois, Indiana, Minnesota, Washington, and Wisconsin)

--Paul Soanes, Renewable BioFuels (RBF), Chief Executive Officer (Plant in Texas)

--Doug Whitehead, National Biodiesel Board Chief Operating Officer

--David Carmen, Carmen Group President & Chief Executives Officer

Does the Secretary have time for a meeting with this group in the coming weeks, preferably next week? They will more than happily accommodate your schedule. Please do not hesitate to call anytime, should you wish to discuss by phone.

Best,

Alison

Hi Morgan,

Thanks again for getting back to us on this. I was wondering whether there might be an appropriate deputy for Sir Mike to meet on digital and trade issues? I mentioned to Ryan Barnes (cc'ed) that Sir Mike is also the chair of the International Chamber of Commerce United Kingdom National Committee and has a strong interest in the UK-US trade relationship beyond his BT role.

Kind regards,

Thomas

Event: internal National Foreign Trade Council (NFTC) Trade Committee meeting

Date and time: October 3 from 11:00AM - 12:00PM

Location and arrival: NFTC's Offices, 1625 K Street NW, Suite 200, Washington, DC; Undersecretary Hernandez should enter the building and proceed to the 2nd floor, suite 200. Someone will be waiting to greet him inside NFTC's offices.

Undersecretary Hernandez's remarks/participation: We hope that he can speak for approximately 10-15 minutes about the Commerce Department's trade priorities. Following those initial remarks, we hope that he will be willing to answer questions and engage in a discussion with the companies in the room.

NFTC's interests include ---

- * U.S. Government priorities for ongoing and upcoming trade agreement negotiations, including NAFTA.
- * Supporting U.S. leadership in the global trading system and helping American companies more effectively participate in the system.
- * Understanding the Secretary's priorities for the Department and its trade activities, including --

- * Leadership in the U.S. – China Comprehensive Economic Dialogue and the Secretary's upcoming trade mission to China;
- * Use of Section 232 investigations in steel and aluminum; and
- * U.S. procurement obligations and the ongoing "Buy American" review process

- * Understanding the Commerce Department's export and investment promotion priorities and how American companies can engage.

* Note: NFTC's Global Innovation Forum <<http://www.globalinnovationforum.com/>> is a partner of ITA to advance the Startup Global initiative, an effort to help small and early stage U.S. businesses think globally from Day One and emphasize the public and private resources that are available to help them succeed. (See here for an example of an upcoming Startup Global program <<http://www.globalinnovationforum.com/events/start-up-global-philly/>> in Philadelphia.)

About the NFTC: The National Foreign Trade Council is a business association founded in 1914 to advocate for an open, rules-based trading system. NFTC is dedicated to making America more competitive in the global economy by ensuring the adoption of forward-looking tax and trade policies, by strengthening global rules and by opening foreign markets to American products and services.

Attendees: We expect the Committee meeting to be attended by a cross-section of NFTC's member companies. We can provide a list of confirmed attendees closer to the date. A list of NFTC's board members, which is representative of the kinds of companies that will be in the room, is available online <<http://www.nftc.org/?id=232>> .

Remarks off the record and closed to press: This is an internal meeting of NFTC's member companies. We will make clear that his remarks are off the record. There will be no press in the room.

Dear Acting Undersecretary Hernandez,

On behalf of the National Foreign Trade Council, I would like to invite you to brief our member companies during the next meeting of our Trade Committee, scheduled for October 3 from 11:00am-12:00pm. The meeting would provide an off-the-record (and closed to press) setting for you to interact with a cross-section of the business community and exchange views on international trade priorities.

Commerce Secretary Wilbur Ross said some of the policies the EU has implemented have been discriminatory against U.S. companies and served protectionist interests. Fining Apple \$14.5 billion for back taxes and Google \$2.7 billion for antitrust violations are among the actions the European Commission has taken that have been directed at tech firms in recent years.

Pressed about the wave of antitrust questions that have emerged against tech giants, Ross said at the POLITICO Pro Summit that they were "regular companies and some of them are getting to be quite big regular companies."

He also said that many business leaders he spoke with applauded the regulatory reforms that have taken place since President Donald Trump has taken office, noting that the rollback has felt like a "gigantic monkey being taken off the backs" of many companies.

Ross said one of the largest metrics of success for his tenure in the role would be if Trump gets reelected for a second term.

Hi, Israel – I realize this is very last minute and if you can't make it work I totally understand but I've been asked to see if you're available next Wednesday, October 4th to meet with solar industry representatives regarding the International Trade Commission solar panels case. As you know, next week the Commission is holding a hearing to examine possible trade remedies to recommend to President Trump. The folks we'd be bringing in to meet with you, representing domestic manufacturers and solar installation companies, would like to discuss the remedies they are asking the ITC to support, as well as the large domestic solar-related manufacturing base that already exists in the U.S. that would be hurt by far-reaching remedies.

Information on attendees is below and thank you very much for considering the request. – Lori

Subject: RE: Sabre Meeting Request with Secretary Ross

Hi Mack –

At last, I finally have some dates that would work for a meeting between Secretary Ross and Sabre's CEO, Sean Menke. Sean is going to be available in Washington on October 4 (all morning) and October 5 (all day). Would a time on either day be possible for the meeting?

I will of course give you a full briefing on the items that Sean will cover, but you can certainly expect him to mention:

- The tremendous help we've received from the Advocacy Center over many years
- The challenges we are continuing to experience in China and our strategy for engagement
- The leadership roles we have taken on TTAB and Brand USA and our commitment to advancing the US travel and tourism agenda

Looking forward to working with you on this and putting a date on the calendar soon. Let me know what else you need.

Subject: Sabre Meeting Request with Secretary Ross

Hi Dina and Jennifer:

I am forwarding you a letter from my CEO, Sean Menke, requesting a meeting with Secretary Ross during Sean's visit to Washington next month. I'd be most grateful if you could forward it to the Secretary's attention. We would of course be delighted to have this opportunity to talk with him about the many touch points we have with the Department of Commerce and especially to express our gratitude for the enormously helpful assistance we receive from the DOC Advocacy team and the Commercial Service on our technology export pursuits.

Sean is currently free the entire morning of May 11, which would be ideal. He's also coming back to Washington the following week for an advisory board meeting and while his schedule is not yet set, he's likely to have additional available time on May 16. Please let me know what's possible; I'd be glad to get on a call with you.

Many thanks for considering this request.

Subject: Request to Meet Today on Aluminum Foil

Importance: High

Izzy and Gary – We’d very much appreciate an opportunity to meet with you this afternoon to discuss yesterday’s decision to postpone the preliminary AD determination in the aluminum foil investigation.

We would like to discuss with you actions the Department could take in the short run to provide the domestic industry with relief from unfairly traded imports to which it is entitled under the statute, while postponing the issuance of the NME decision that appears to be the issue underlying yesterday’s action. In addition, we would like to discuss with you our concerns that yesterday’s postponement not affect the timing for the Department’s issuance of a final determination on the schedule that was established prior to yesterday’s announcement (i.e., with a fully extended deadline in February 2018).

Could you please let us know if you’re available to meet this afternoon. We are available to meet with you any time this afternoon, and would appreciate an opportunity to meet with you today, given that Monday is a holiday.

Best regards –

John

 Subject: Oct. 10 scheduling request

Morgan & Chelsey,

SWR requested Undersecretary Karen Dunn Kelley and Deputy Chief of Staff Izzy Hernandez to schedule some time for an update on the progress of the Census consultants efforts and coordinated plan that was developed on moving forward. (b)(5) DPP

Additionally, there is an upcoming hearing that will be taking place on Oct. 12th and we feel that this briefing would provide pertinent information to have before the hearing. Therefore, we would like to request a block of 1 hour on Oct. 10th to meet and brief with the Secretary.

Once a time is found I can provide the email addresses of the consultants for calendar invites.

Subject: Meeting request for Secretary Ross
Importance: High

Hi Brooke – I know it has been a long while since we last connected. I trust you are doing well – it was exciting to hear that you were back at DOC working for Secretary Ross. He seems to have assembled a really great team.

I hope you don't mind me passing along a meeting request from the National Association of Home Builders' Chairman Granger MacDonald to Secretary Ross. NAHB has been very supportive <<http://nahbnow.com/2017/03/trump-to-nahb-chairman-were-going-to-make-home-building-great-again/>> of a number of early decisions the Trump Administration has made and Mr. MacDonald would welcome the chance to communicate that directly to Sec Ross and frame up the broader agenda for home builders in the US.

We've reached out to Izzy and Eric Branstad as well, but know that everyone there is very busy and going a million different directions. I thought maybe shooting the request to you as well might help.

Happy to try to answer any questions and I hope I get the chance to see you again soon!

Best,

ITA:

The Qatari Minister of Finance oversees the country's economy, including international investment policy. The Secretary previously met with the Minister April 20. The Minister has a strong reputation, and in addition to his responsibilities as Minister, he sits on many boards, such as the influential Qatar Investment Authority (QIA), which has an office in New York City. (b)(5) DPP

The Advocacy Center is currently managing 34 active cases with Qatar with principal industries being Aerospace & Defense, Construction, Healthcare, and Technology. The total value of these active cases is approximately \$21.4 billion, with \$15 billion in U.S. export content. Since 2010, the Advocacy Center (AC) has had 15 wins in Qatar. The total project value of these wins is approximately \$36.7 billion, with \$28.2 billion in U.S. export content, supporting an estimated 146,000 U.S. jobs.

On June 5, Bahrain, Egypt, Saudi Arabia (KSA) and the United Arab Emirates (UAE) announced they were severing diplomatic relations with Qatar. Yemen, Libya and the Maldives followed suit several hours later, and Jordan and Mauritania days after. Saudi Arabia's land border is closed to Qatar, its sea routes are closed to Qatari flagged vessels and those destined for Qatar. In essence the countries named above are implementing an economic blockade against Qatar. The biggest issue is food security, as 90% of dairy and 40% of fruits/vegetables come across that border; there are press reports that Iran has begun shipping 100 tons of fruits and vegetables daily to Qatar. We would like to see a peaceful resolution to this crisis.

Location Secretary's Office

Show Time As Busy

I wanted to see if it would be possible for a meeting between the Secretary and Qantas Airways CEO and Chairman Alan Joyce, who will be here from Sydney on Oct 13. <x-apple-data-detectors://1> Qantas has a pretty incredible economic turnaround story and is very active in the US economy (recently built a 50 million dollar maintenance facility at LAX) and plans to expand even more with added routes and non stops between AUS and US, the purchase of planes from Boeing (and associated subcontractors like GE etc). They are also soon to file an ATI with American Airlines which will further solidify their commitment here. Additionally, there is a longstanding tourism benefit between the two countries and a long established trade relationship. Anyway, let me know if something may work on your end, Alan is very much hoping to meet him and I think this will be the last time he'll be in the US for quite some time.

Thanks in advance for taking a look at this and let me know if you

need anything else from me.

The I&A team recommends that the Secretary take this request as his schedule permits, given MPAA's visibility and leadership role among U.S. content creators and the benefits that industry and content interests generally can draw from successful NAFTA modernization.

Subject: Please join us for the U.S. Celebration of World Standards
Day, October 19

Dear Mr. Hernandez,

On behalf of the American National Standards Institute (ANSI), it is my
pleasure to invite you to be our guest at the U.S. Celebration of World
Standards Day <<http://www.wsd-us.org/>> 2017 on Thursday evening,
October 19.

This year's celebration will be held at The Mandarin Oriental in
Washington, DC. The evening's festivities will begin with a reception at
5:30 p.m., followed by a banquet and a brief program.

Celebrated annually, World Standards Day pays tribute to the
thousands of volunteers around the world who participate in
standardization activities, and helps to raise awareness of the role
that standards play in addressing national and global priorities.
The 2017 theme of the U.S. Celebration of World Standards Day –
Smart Health – will focus on the role of standards in using intelligent
systems to improve the quality and delivery of healthcare in a more
integrated, focused approach. This theme was chosen to highlight the
realities of the modern age of healthcare and prepare for the needs
for the future.

Please note that this is a widely attended event that is co-sponsored
and attended by federal government agencies to recognize and honor

the many contributions of the U.S. standards and conformity assessment community.
Please confirm your availability to attend as soon as possible, as space is limited at this event. We hope to have you with us!
Best,
Liz

A premise exists in the United States and around the world that there is a binary choice between globalization and nationalism, and that our nation must choose one path or the other. A reluctance to acknowledge the economic stagnation of a large segment of the American population and a failure to articulate the benefits of global

alliances has forged the country down a divergent road. This need not be the case. U.S. businesses, governments and civil society possess the resilience and ingenuity to adapt to evolving economic and societal landscapes. Likewise, American principles remain valued and sought after on a world stage. Through collaboration among these sectors, the United States can and should continue to serve as a global leader, while concurrently elevating the security and economic prosperity of all Americans from the country's heartland to her coastlines.

The 6th Annual Meridian Global Leadership Summit will explore the importance of international engagement and how the United States can more effectively utilize its global leadership position to benefit the entire nation. In particular, the Summit will examine:

- Balancing domestic and international priorities;
- Opportunities and challenges of global commerce, technology and security;
- Key drivers of stability and instability; and
- Business leadership.

Subject: RE: Rassini

Thank you very much, Morgan! Cameron, would Izzy have a few minutes on Monday to meet with Manus Cooney and Eugenio Madero, President of Rassini? I am going to re-attach the original request below, for your reference. Mr. Madero has meetings at the White House at 10:30, but is flexible other than that. Please let me know if you need any further information.

Thank you very much for your consideration!!

Best,

Kate

David Urban and I work with an international auto parts company – Rassini <<http://www.rassini.com/en/index.html>> – which has factories in Michigan and Ohio. Rassini is a lead designer and manufacturer of suspension and brake components for the automotive industry, mainly focused on OEMs. Rassini is also the world's largest producer of suspension components for light commercial vehicles as well as the largest fully integrated brake rotor producer in the Americas. As you might expect, they are following developments around NAFTA quite closely. The President and Vice Chair of Rassini – Eugenio Madero

<<https://www.prnewswire.com/news-releases/rassini-sab-de-cv-appoints-eugenio-madero-as-president-300044498.html>> – will be in DC on Monday, October 30th for meetings with policymakers. He'll be having a few meetings in the WH that morning. Might Izzy have a few minutes to meet with him on the 30th? We realize this is a busy time but Mr. Madero's aim is to be collaborative and constructive.

We promise to keep the meeting short. If there's someone else we should be contacting, please let me know.

Thank you for your consideration

Take care,

Manus.

Subject: chat today?

Hey Brian,

Are you able to chat today about an anti-dumping case involving large residential washers? The case involves Electrolux, whose North American headquarters are in North Carolina.

During the Department's Fourth Administrative Review, the Department uploaded a questionnaire on their electronic docketing system, known as ACCESS. Typically, when the Department places a questionnaire (or any other document) the system sends a notice by e-mail to outside legal counsel that the document is available on ACCESS. When a party is not represented by counsel, the Department sends the document directly to the party.

This automatic email from the Department serves as the official

notice. However, during the Department's Fourth Administrative Review, a questionnaire was uploaded to ACCESS but the Department did not send a copy of the questionnaire, or provide any notice that it had been uploaded, to Electrolux or to Electrolux's outside legal counsel.

At the time the questionnaire was uploaded, the Department was aware that Electrolux's outside legal counsel had not yet entered their appearance. As a consequence, even though the questionnaire uploaded to ACCESS was actually written to the attention of Electrolux's outside legal counsel, neither the ACCESS system, nor the Department staff, sent Electrolux's outside legal counsel actual notice of its issuance. So the clock was ticking for Electrolux to respond but they weren't aware of the Department's request for information.

All Electrolux is asking for is the opportunity to submit their data in response to the questionnaire to the Department. It's my understanding that this is within the Department's discretion. Our office is not attempting to weigh in on the merits of the antidumping case, but this situation seems like a flaw in the ACCESS system and we're asking that the Department accept Electrolux's information. Had the ACCESS system notified Electrolux, or their legal counsel, of the questionnaire then their information would have been submitted on time.

I would like to discuss this issue with you, or someone on your team, today if possible.

Thanks man,

Curtis

Subject: Request for Meeting with Izzy Hernandez

Hi Cameron

I have a request from Jonas Neihart heads of Government Affairs for Hilton to meet with Izzy. His CEO Chris Nassetta had a meeting scheduled with Secretary Ross that was canceled and to my knowledge has not yet been rescheduled. Jonas is a great guy – very close to his CEO and both are very interested in how they can be helpful. I think it would be great for Izzy to make this connection. Is it possible to set up a 30 minute conversation in the next few weeks?

Many thanks

Isabel

Hi Izzy, I hope you're doing well.

I'm a recent DOC alum (DAS in ITA from '14-'16), and we met briefly back in June when I came by for a meeting and then again at a conference for the US Fashion Industry Association.

Am hoping I can come by your door again, this time with Charles Goemaere, the Director of Economic and Legal Affairs for the Comite Champagne. The Comite Champagne

As the Acting Under Secretary and a senior political trade advisor to the Secretary, we were hoping to hear your thoughts on and discuss the medium and long-term prospects of the TTIP negotiations.

Charles will be in Washington, DC, on Tuesday 10/24 and is available all day except between 12 and 2pm.

Please let me know if there's a time then that works for you.

Thank you for getting back to me today. Let's plan on a conference call or a meeting in DC at 2:30 on Tuesday the 3rd depending on the reimbursement issue. How much time has been allowed for the meeting? George and I look forward to discussing the challenges the Bureau has with the 2020 Census.

Hi Sahra,

11:30 October 3rd will work. After thinking about what the Under Secretary and I discussed on the phone last week, I decided to invite only George Ligler. George lives in North Carolina and would fly in for the meeting and I will already be in DC and can stay another day. We both will need a hotel for the night of October 2nd. I assume that we will be reimbursed for our out of pocket travel expenses. If that is a problem, I suggest that we schedule a conference call. If the Under Secretary would like to have a pre-meeting call, please give me a couple of times and I will try to make it work. Thanks.

Mr. Cook,

My apologies for the delayed response. I was out with the flu and returned to the office today. I also just heard your voice message from last night. I shared your message with the Under Secretary and she would very much like to see you during the week of October 2nd. How does October 3rd, at 11:30 am work for you and your group? Please let me know if that date and time works for you all. If not, I would be happy to try and find another that works.

Kind regards,

Sahra

Hi Sahra,

We had a productive call with Under Secretary Dunn-Kelly Friday. We decided to have a meeting in DC, hopefully, during the week of

October 2nd. I volunteered to invite a couple of key members of our NAS Standing Committee that have been working with the Bureau for the past 8 years. I have spoken with George Ligler, a key member, of our Committee about attending and he has agreed. George and I can meet in DC during the week of October 2nd. Monday or Tuesday would be best for us. I have a prior commitment in DC Monday morning but we could do any time in the afternoon on the 2nd or any time during the day on the 3rd. We would prefer Monday afternoon but are flexible. Please let me know what timing will work for Under Secretary Dunn-Kelly and the necessary logistics. If the Under Secretary would like to have a short call to discuss the meeting, please have her call me (b)(6). Thanks.

The regional directors will be at HQ for a set of meetings on November 15 and 16. I think it would be good for you to meet them and for them to meet you. I was thinking that a 1 hour discussion would be good. When would be a good time for you to come to Suitland to meet with them? We will work their agenda around your availability. I think Ron will be out of town but I will be there.

Subject: NIST Scheduling Request for SWR

Hi Chelsey,

Izzy pointed me to you and Megan for submitting a scheduling request
for the Secretary. I couldn't find Megan's email in the directory hence
only you on this email. I need to schedule 30 mins of time for the
Secretary to place calls to the leaders of organizations that will be
selected to receive the 2016 Malcolm Baldrige Award. The Baldrige
Award is an award administered by NIST on behalf of the Secretary.

The selections of the organizations will be carried out on the week of November 13. As per the tradition, the Secretary of Commerce personally places calls early the following week to notify the winning organizations. Therefore we would need 30 mins on his schedule either on Nov. 13, 14, or 15th. The first 10-15 minutes of the meeting will be to brief the Secretary on the organizations, and the second 15 minutes is for the actual calls themselves. We prefer that the calls take place in the early afternoon in order to accommodate possible recipients from the west coast. Please let me know if you need any additional information.

Thanks much,

Kevin

Subject: Call with Jay Timmons

Hi Chelsey –

National Association of Manufacturers President and CEO Jay Timmons was hoping to speak over the phone with Secretary Ross soon regarding an automotive import case facing one of our members that’s keeping them from investing roughly \$500 million back into manufacturing in America. Jay would like to make sure Secretary Ross is aware this specific matter and talk through broader impacts to the manufacturing sector.

Would it be possible to arrange a call between Jay and Secretary Ross?

Thanks in advance for your help with this!

Sincerely,

Jennifer Drogus

 Subject: Meeting with Israel Hernandez

Dear Ms. Dorsey –

I recently accepted an opportunity to serve as DAS for ITA's Enforce & Compliance business unit. I was previously at Commerce as E&C's DAS for Antidumping and Countervailing Duty Operations before retiring in December of last year. My start date for the new position is December 11th and, before I return to Commerce, I was hoping to get a chance to meet Deputy Chief of Staff Hernandez, who I understand is also performing the duties of ITA's Undersecretary.

I realize that Mr. Hernandez must be extremely busy throughout the day. I'd be happy to come by his office, however, or to meet him for coffee if he can find the time.

Thank you for your help.

Best regards,
 Chris

 Subject: Meeting Readout on Saudi IP Authority

Hi all

I met with Sami A. Alsodais yesterday in Riyadh, the direct advisor to Minister Qasabi, on the new Saudi IP Authority. As you know, KSA is consolidating their three IP offices (copyright, patent and trademark) into a single authority, and Secretary Ross and former PTO director Michelle Lee agreed USPTO would support this initiative during a visit by the Minister in late spring 2017. Given the then urgency of the request, I led substantive conversations with KSAs officials this summer, including a 2-hour video conference on initial strategies in July and developed the attached document that we shared with KSA officials. We then received no further engagement from KSA, even after several attempts to reach out.

I learned yesterday that Sami replaced the original officials two months ago and now leads this effort. Sami is the former Saudi Patent Office Director General, beginning his career as a patent examiner and having his first training at the USPTO over 25 years ago (he spoke very fondly of this experience). Having similar engineering and examiner backgrounds, and a shared focus on IP Office administrative best practices, we connected quickly.

Sami said the IP Authority is still in a preliminary phase, and the work done this summer was effectively reset. I expressed the USPTO/Commerce's commitment to aid this effort, and how the IP Attaché and USPTO could provide the requested support. Sami said he was relieved to hear this and was very pleased when I shared the above mentioned document as he was unaware of our previous efforts.

(b)(5) DPP

Given the important U.S.-Saudi relationship, commitments to support this initiative, growing IPR concerns in KSA for U.S. innovative pharmaceutical companies, and the unique opportunity to influence the first modern IP office in MENA (excluding Israel), leading this collaboration will be my first priority as the new IP Attaché. A responsibility I am excited and prepared to take on. This work will include spending significant time with Sami and his team in Riyadh (likely about a week every month, especially initially), facilitating USPTO experts to travel to KSA to advise on specific administrative topics, and leading Saudi delegations to the USPTO for consultations. Sami said KSA is ready to cover these travel expenses.

Sami is scheduled to meet with Minister Qasabi next week to discuss our meeting and our proposed USPTO-KSA engagement plan. I will follow up afterwards and start discussing tangible next steps. Please let me know if you have any questions or if I can provide further details. I am back in DC next week and happy to stop by Commerce if helpful.

Best,

Pete

Dear Israel Hernandez,
The Honorable Barbara Hackman Franklin, 29th US Secretary of Commerce, and her husband, Mr. Wallace Barnes, are pleased to invite you to a reception celebration on Friday, December 8, 2017 in Washington, DC. The invitation is attached.
In December 1992, on behalf of President George H.W. Bush, Secretary Franklin led a Presidential mission to China to normalize commercial relations. She and her counterpart, Minister Li Lanqing, reconvened the Seventh Session of the U.S.-China Joint Commission on Commerce and Trade (JCCT). The JCCT had been moribund since the events at Tiananmen Square in June 1989 due to a sanction the U.S. placed on China which banned high-level government-to-

government contact. Her mission lifted that sanction and brought back \$1 billion in new contracts for American companies, and it gave a "green light" to U.S. companies interested in pursuing business opportunities in China. Trade with China grew dramatically in the ensuing years as did U.S. investment in China, and as you well know, the economic relationship is the very bedrock of Sino-U.S. relations today.

Secretary Franklin is so hoping you and a guest/spouse will join them for this reunion, and thought you would enjoy being there to congratulate and celebrate this delegation who came before you and whose good work you so wonderfully continue today.

If you have any questions, please don't hesitate to contact me.

With warm regards,

Stacie

Would the GAO team like to come to Commerce, or would it be preferred that Karen come over to GAO? She is happy to host here or go over, whichever works best for your folks.

Many thanks,

Robert,

It was nice to meet you briefly yesterday at the hearing. If you don't remember I work with Under Secretary Karen Dunn Kelley over at the Department of Commerce.

She would like to get a meeting scheduled with Comptroller General Dodaro to discuss GAO's audits of Census, as well as initiate a working relationship. If Commerce falls under your portfolio it would be great

to have you in the meeting as well. Can you help us get something on the calendar?

Hey Eric,

I just wanted to check back in on that potential meeting between Pam Patsley (MGI CEO) and Secretary Ross. Pam is planning to be in DC next week if there's any chance to secure a time on 11/1 or 11/2. I also wanted to check and see if DOC was planning to take U.S. Business CEO's on the China POTUS trip as they have done in the past? Thanks, again. Doug

Subject: BlackBerry Executive Chairman and CEO and former member of President's Export Council John Chen request to meet with Secretary Ross at APEC Summit

Wendy, Eric and Hunter,

We would like to respectfully request a meeting between BlackBerry's Executive Chairman and CEO John Chen and Secretary Ross at the upcoming APEC Summit. Mr. Chen very much enjoyed seeing Secretary Ross at the Milken conference earlier this year. Mr. Chen will be in Vietnam because he has been requested to moderate a panel on digital issues at the APEC CEO Summit.

As you may recall, Secretary Ross and Mr. Chen know each other through the Secretary's prior career.

John is a former Chairman and CEO of Sybase and serves on the boards of Disney and Wells Fargo.

John is well positioned to provide useful input to the Secretary. In addition to his business experience he is a former member of the President's Export Council, former co-chair of the Rice-Chertoff Commission on Secure Borders and Open Doors, and a former Chairman of the Committee of 100. He has also testified before Congress and advised a variety of U.S. government officials over the

years.

Please see below a link to his bio:

Subject: RE: Dates | U.S.-Mexico Energy Business Council

Hi Cameron,

A quick update on the U.S.-Mexico Energy Business Council – we are proceeding with the next meeting of the Council December 4-5 in Mexico City. Understand it's still TBD on who from ITA will participate, but wanted to confirm that these dates are still being held on Izzy's calendar?

Let me know if you have any questions.

Thanks,

Leslie

Subject: Meeting with Secretary Ross

Guys,

Chairman Thune would like to invite Secretary Ross to participate in a closed door meeting with Republican Members of the Commerce Committee sometime before the Senate leaves town for the year (we're currently scheduled to be in session from Nov. 27 thru Dec. 15). The purpose would be to discuss trade and competitiveness, with a particular focus on the ongoing NAFTA negotiations. As you know, many of our committee members represent rural states and constituents who are especially concerned about the NAFTA negotiations. At least one of our members has requested that we hold a hearing on the issue and invite the Secretary to testify. At this time, however, we think it would make more sense to have a meeting where members can talk directly with the Secretary in a less formal setting (though I suspect some members will still want to talk about the issue publicly—including any meeting—when addressing inquiries from their constituents).

Given the Senate schedule, Mondays and Fridays are not attractive

Please see attached a slide deck on SolarReserve for some background.

I would suggest the following slides for review so Mr. Hernandez can get a better understanding of our global/trade interests –

Slides

2-3, 16, 25, 45 overview/project presence/interests

5-7 technology leadership

28-44 – foreign projects

On top of the global run through on opportunities/challenges, we do we want to discuss a specific issue regarding our project in Tonopah, NV where a Spanish contractor to the project has attempted to create some unnecessary problems.

Let me know if that’s helpful.

Dina,

Whirlpool Chairman Jeff Fettig would like to do a follow up phone call with Secretary Ross on the Section 201 safeguard on washing machines.

The process moves to USTR today but we started the process with the Secretary and want to touch base with him as the decision moves to the President.

Please let us know what might work.

 Dear colleagues,

U.S. Ambassador to Japan Bill Hagerty plans to visit Washington, D.C. next month and would like to meet with Secretary Ross to discuss follow-up from the President's November 5-7 visit to Tokyo.

Would Secretary Ross be available to meet with Ambassador Hagerty for 30 minutes during one of the following windows?

- Monday, December 11, 2017, 7:00 am – 11:00 am
- Monday, December 11, 2017, 12:30 pm – 7:00 pm
- Tuesday, December 12, 2017, 7:00 am – 2:00 pm

Ambassador Hagerty's biography is available here: <https://jp.usembassy.gov/our-relationship/our-ambassador/>. I believe they last met in October, when Ambassador Hagerty was in Washington for the October 16 U.S.-Japan Economic Dialogue.

Please let me know if there's someone else I should work with instead, or if there's any additional information you need to process this request.

With appreciation,

Heather

I'm throwing an incredibly last minute request your way to see if the Secretary would be available for a quick call with Swiss Re's CEO, Eric Smith, today or tomorrow. The tax conference committee is working on an issue of importance to Swiss Re around reinsurance and if a change to the underlying Senate bill is not made, they, along with Munich Re, will have to pull their domestic subsidiaries across the country, costing thousands of jobs in states like OH, IN, MO and GA. And once they are gone, there will be massive disruptions to the disaster insurance markets in states like TX, FL, LA and SC at a time when they don't need another hurdle. I've attached our one-pager for your reference and a letter for EU Finance Ministers that echo our concerns, if that's helpful.

We wanted to make sure Secretary Ross knew the implications of the conference negotiations around this piece and was prepared for fall-out if it isn't fixed. And should he want to weigh-in with Congressional leaders on this issue, it has to be done in the next two days because they are trying to finish by Thursday.

If he has 5 minutes any time today or tomorrow, we would greatly, sincerely appreciate it. Thank you!

Best,

Larissa

Subject: Re: Meeting / Call with Karen Dunn Kelley, Under Secretary for Economic Affairs

Cameron,

I am organizing our advertising team as well as our cloud/AI team to come in and do a presentation on our previous work and possible future work on Census. I think in person would be best if the Under Secretary is open to that and possibly at least 45 minutes to allow us to make a visual presentation and have an open discussion. However, in order to get our "ducks in a row" and due to travel, any chance we could come in and present the week after Thanksgiving? Is that too late? If not, that is best for our AI, Cloud and Ads teams and I think would make our time with the Under Secretary most productive. Thanks and feel free to call and talk through if you wish, but hope this would be okay. Thanks.

I got several dates from Arturo Vargas from the National Association

meeting.

December 8

December 19-21

January 3-5

January 9-12

January 16-19

Arturo is a committed supporter of the Census with ties to many
stakeholder groups. Key issues for him will be confidentiality of the
data (that is not sharing info with law enforcement agencies),
advertising and partnership activities, use of administrative records,
and activities in Puerto Rico.

I think a 1 hour meeting with him to talk about key issues for the 2020
Census would be good. The dates above are good for me except
January 3-5 when I hope to be on a much needed vacation. Let me
know what works for you and we will set it up.

Thanks.
